CARRIE CASTLE
DEPUTY DIRECTOR
HOPE PO'O

January 9, 2024

The Honorable Rick Blangiardi, Mayor
The Honorable Tommy Waters, City Council Chair and Presiding Officer
The Honorable Members of the City Council
The People of the City and County of Honolulu

We are pleased to submit to you the Annual Comprehensive Financial Report (ACFR) for City and County of Honolulu (City) for the fiscal year ended June 30, 2023. The ACFR was prepared by the Department of Budget and Fiscal Services (BFS). BFS is responsible for the accuracy, completeness and fairness of the financial data and presentation, including all disclosures. We believe the information and data in the ACFR is fairly presented and is accurate in all material respects. Furthermore, we believe that all disclosures necessary to enable the reader to gain a full understanding of the City's financial affairs have been included. The ACFR represents all budgeting and accounting activities of the City during the year, and covers all funds of the City and its component units.

REPORTING ENTITY

The ACFR presents the financial status of the City (the primary government) and its discretely presented component units, the Board of Water Supply (BWS) and Oahu Transit Services, Inc. (OTS). The financial information for these component units are reported in combining schedules and in the aggregate in a single column in the government-wide financial statements to emphasize their legal separation from the primary government and to differentiate their financial position and results of operations from those of the primary government.

The City provides all of the municipal services required by the Constitution of the State of Hawaii, the Hawaii Revised Statutes, and the City's Revised Charter and Revised Ordinances. The island-wide services are comprehensive and include police and fire protection; emergency medical care services; disaster management; culture and recreation; planning, zoning, and permitting; sewage and solid waste collection and disposal; public transportation; human services; traffic safety and control; and construction and maintenance of public streets, bridges, walkways, and drainage and flood control systems for Oahu.

ECONOMIC CONDITION AND OUTLOOK

Although the tragic Maui wildfires continue to have negative impacts on the state's economy, the impact has not been as significant as anticipated on Oahu.⁷ However, uncertainties remain on how the future progression and rebuilding of Maui will impact Oahu's economic growth.⁷ Oahu's economy has continued to make strides in key industries such as tourism. The arrival of Japanese travelers continues to lag, but increased spending by U.S. visitors has alleviated this difference due to visitor arrivals approaching pre-pandemic levels and the rising costs of lodging, restaurants, etc.⁷ Demand for homes in Oahu's housing market remains high, with assessment values remaining stable.

- Oahu's tourism industry continues to show steady growth compared to pre-pandemic levels.³ For the eleven months ended November 30, 2023, total visitor days increased 12.9%, total visitor arrivals increased 16.6% and total expenditures rose 3.9% compared to the same period a year ago.³ For the month of November 2023, the average daily hotel room rate on Oahu grew 4.6% to \$271.11 while hotel occupancy rose by 4.2% to 76.6% compared to the same month last year.⁴
- The military, Hawaii's second largest economic sector, accounted for 8.9% of the state's gross domestic product for federal fiscal year 2022.⁶ Specifically for Oahu, military accounted for nearly 61,800 jobs while defense contract and personnel spending totaled \$7.9 billion.⁶
- The construction sector for Oahu is competing for time and resources due to Maui's recovery needs, but growth is steady and continues to increase.⁷ Contracting revenues for July 2023 soared 23.4% to \$647.1 million, compared to the same month a year ago.⁵ Furthermore, contracting revenues increased 7.9% to \$7.07 billion for the fiscal year ended June 30, 2023, compared to the prior fiscal year.⁵ Construction jobs increased slightly to 27,600 for November 2023 compared to 27,200 for the same month the preceding year.³ The number of building permits issued increased 9.9% to 14,027 and the value of building permits grew by 22.5% to \$2.77 billion for the year ended November 30, 2023, compared to \$2.26 billion for the year ended November 30, 2022.¹
- While Oahu single family home price increases have slowed, unit sales activity has continued to decrease due to higher mortgage rates and inflation.² The November 2023 single family home median resale price dipped (4.3%) to \$1,100,055, while resale volume decreased (6.3%) to 180 when compared with the same month a year ago.² Condominium resales median price rose 7.5% to \$516,179 and resale volume decreased (8.8%) to 310 for November 2023, compared to the same month last year.²
- Retail sales growth flattened out to 0.3% at \$2.46 billion for the month ended July 31, 2023, compared to the same month in 2022, but rose 10.9% to \$29.4 billion for the fiscal year ended June 30, 2023, compared to fiscal year 2022.⁵
- Non-agricultural jobs totaled 460,900 for November 2023, an increase of 2.5% from 449,600 non-farm jobs for the same month the preceding year.³

- The labor market for Honolulu had one of the lowest unemployment rates among Hawaii's counties in November 2023, with a non-seasonally adjusted unemployment rate of 2.5%, compared to 2.9% statewide, and 3.5% nationally.³
- Nominal personal income (i.e., salaries and wages not adjusted for inflation) in Hawaii increased 5.5% in the second quarter of 2023 compared to the same quarter of 2022, with no increase for the calendar year 2022.³
- Proprietors' income increased 3.4% in the second quarter of 2023 compared to the same quarter of 2022, and a 7.5% average decrease for the calendar year 2022.³

MAJOR INITIATIVES

The executive operating budget of \$3.22 billion, net of interfund transfers for fiscal year 2023, reflected an increase of 9.75% compared to the prior fiscal year.

The City's priorities included maintaining City's working diligently to address affordable housing and homelessness, modernizing and transforming City's operations and services, driving the economic recovery by providing relief programs to the public, addressing climate change, investing in City's infrastructure (Sewer, roadways, parks), and developing and planning intermodal transportation for the rail operations.

Like the executive operating budget, the City's \$1.03 billion capital improvement budget for fiscal year 2023 emphasized core services. Key areas of focus included refuse and sewer projects, much of which was mandated by the Global Consent Decree, energy conservation and sustainable facilities improvements, improvements to roads, sidewalks, bridges, street lights, and other transportation related projects, upgrades to park facilities, continued enhancement of bus and Handi-van services by purchasing new transportation vehicles. The following is a summary of the government functions and their major capital improvement projects for fiscal year 2023:

Sanitation

For solid waste and sewage collection and disposal projects, a total of \$405.3 million was budgeted for fiscal year 2023, representing an decrease of (35.9%) compared to the prior fiscal year. The two major sanitation projects are the \$85.8 million Sand Island Wastewater Treatment Plant Solids System Improvements/Upgrade and \$69.3 million Honouliuli

Wastewater Treatment Plant Headworks, Pump Station, Energy Savings, Solids Process Upgrades and Misc. Improvements projects. Other sanitation projects include Sand Island Wastewater Treatment Plant Secondary Treatment (\$31.0 million), Kahala Wastewater Pump Station and Force Main System Improvements (\$21.5 million), Wastewater Pump Stations – Electrical and SCADA Improvements (\$20.0 million), and Solid Waste to Energy Facility (H-Power) Improvements (\$16.0 million).

General Government

The general government function of the capital improvement budget increased by \$242.4 million to \$314.8 million for fiscal year 2023. The primary reason for the increase is due to the \$193.1 million American Rescue Plan Grants Program. The following were a few of the major general government projects: Procurement of Major Equipment (\$22.6 million), Civic Center Parking Structure – Reconstruction (\$20.7 million), and Honolulu Authority for Rapid Transit Project Contingency (\$17.0 million).

Public Safety

The fiscal year 2023 appropriations for the public safety function increased 2.4% to \$87.1 million. The major public safety projects included Computerized Traffic Control System (\$15.3 million), Honolulu Fire Department Equipment Acquisition (\$12.8 million), and Rock Slide Potential Inspections and Mitigation Improvements (\$11.5 million).

Highways and Streets

The \$85.9 million capital improvement budget for highways and streets was (42.5%) lower for fiscal year 2023 than the previous fiscal year. A few of the major highways and streets projects include Rehabilitation of Streets (\$36.1 million), Intermodal Connectivity Improvements (\$7.1 million), and Bridge Rehabilitation at Various Locations (\$6.6 million).

Culture-Recreation

For fiscal year 2023, \$60.2 million was appropriated in the capital improvement budget for participant, spectator, and other recreation projects, an decrease of (49.1%) compared to the prior fiscal year. The major culture-recreation projects included Renovate Recreational Facilities (\$18.5 million), Preservation and Conservation Lands (\$17.9 million), and Blaisdell Center Redevelopment (\$6.6 million).

Transportation

Mass transit appropriations of \$60.1 million for fiscal year 2023, representing an 4.0% increase compared to the previous fiscal year. A major transportation project included the Bus and Handi-Van Acquisition Program (\$58.7 million).

Human Services

The capital improvement budget for the human services function of \$17.7 million represents an (94.0%) decrease compared to the last fiscal year. The decrease was primarily due to a large investment in Affordable Housing Projects for the prior fiscal year. Other human service projects included Affordable Housing Strategic Development Program (\$7.2 million) and Affordable Housing with Preference in Transit Oriented Development Areas Program (\$5.0 million).

FOR THE FUTURE

The City continues to focus on progressing and maintaining excellent core services, planning and developing affordable housing and homelessness solutions, improving and transforming City operations and services for the public, developing climate change adaptation projects, investing in the City's infrastructure (Sewer, roadways, parks, public/municipal facilities), developing and planning intermodal transportation for the rail operations, and improving City communication with the people of the City and County of Honolulu.

The executive operating budget increased from \$3.22 billion, net of interfund transfers for fiscal year 2023, to \$3.41 billion for fiscal year 2024. The primary increases to the operating budget are due to the rising costs of salaries and wages, and fringe benefits (includes Retirement System Contributions, FICA, Health Benefits Contributions, and OPEB) and debt service.

The City's capital improvement budget increased from \$1.03 billion for fiscal year 2023 to \$1.34 billion for fiscal year 2024. The following is a summary of the government functions and their major capital improvement projects for fiscal year 2024:

Sanitation

For solid waste and sewage collection and disposal projects, a total of \$565.2 million is budgeted for fiscal year 2024, representing a increase of 39.5% compared to the prior fiscal year. The two major sanitation projects are the \$168.0 million Honouliuli Wastewater Treatment Plant Headworks, Pump Station, Energy Savings, Solids Process Upgrades and Misc. Improvements and \$51.6 million Ewa Beach Sewers, Section 4, Improvement District. Other sanitation projects include Sand Island Wastewater Treatment Plant Secondary Treatment (\$38.4 million), Kailua Wastewater Treatment Plant-Solids Handling System Improvements (\$38.3 million), Wahiawa, Whitmore Village and Makakilo Area Wastewater Pump and Facilities Improvements (\$29.5 million), and Solid Waste to Energy Facility (H-Power) Improvements (\$25.0 million).

Human Services

The capital improvement budget for the human services function of \$288.5 million represents a 1529.9% increase compared to the last fiscal year. The increase is primarily due to \$170.0 million for Affordable Housing land acquisition, development and construction. A few other human service projects include Affordable Housing with Preference in Transit Oriented Development Areas Program (\$35.0 million), Homeless Service Facilities (\$35.0 million), and Affordable Housing for Homeless (\$20.0 million).

Highways and Streets

The \$159.6 million capital improvement budget for highways and streets is 85.9% higher for fiscal year 2024 than the previous fiscal year. The primary reasons for the increase are due to \$33.2 million for Intermodal Connectivity Improvements and \$20.0 million for Affordable Housing Infrastructure Development. A few other highways and streets projects include Rehabilitation of Streets (\$36.3 million), Farrington Highway Improvements (\$15.2 million), and Drainage Improvements at Various Locations (\$11.9 million).

Transportation

Mass transit appropriations of \$91.2 million for fiscal year 2024, representing an increase of 51.7% compared to the previous fiscal year. A majority of the transportation budget is due to the Bus and Handi-Van Acquisition Program (\$87.3 million).

General Government

The general government function of the capital improvement budget of \$85.4 million represents a (72.9%) decrease compared to the last fiscal year. The large decrease was due large capital improvement budget allocation to the American Rescue Plan Grants Program for the prior fiscal year. The following are a few major general government projects: Procurement of Major Equipment (\$22.3 million), Honolulu Authority for Rapid Transit Project Contingency (\$12.0 million), Electrification of Transportation Infrastructure (\$10.3 million) and Civic Center Parking Structure – Reconstruction (\$10.2 million).

Culture-Recreation

For fiscal year 2024, \$75.9 million is appropriated in the capital improvement budget for participant, spectator, and other recreation projects, an increase of 26.0% over the prior fiscal year. The major culture-recreation projects include Preservation and Conservation Lands (\$27.6 million), Community Development Block Grant Program Park Improvements (\$5.4 million), Renovate Recreational Facilities (\$5.3 million), and Blaisdell Center Redevelopment (\$4.0 million).

Public Safety

The fiscal year 2024 appropriations for the public safety function decreased by (14.5%) to \$74.4 million. The major public safety projects include Computerized Traffic Control System (\$7.1 million), Oahu Traffic Signal Controller Modernization (\$6.9 million), Honolulu Fire Department Equipment Acquisition (\$6.7 million), and Telecommunications Facilities Upgrade (\$6.6 million).

FINANCIAL INFORMATION

The basic financial statements include two government-wide financial statements, the Statement of Net Position and the Statement of Activities. These government-wide financial statements are corporate in style, and present a big-picture view of the City's financial condition and position with the reporting of depreciation and long-term debt. The financial information of the City (known as the primary government) is summarized and reported by governmental activities and business-type activities. The business-type activities are consolidated into a single column of the government-wide financial statements and include the proprietary funds; specifically, housing, sewer, solid waste, the public transportation system and blended component unit Honolulu Authority for Rapid Transportation (HART). A financial analysis of the primary government is provided in the Management's Discussion and Analysis section of this report.

The City's discretely presented component units, the BWS and OTS, Inc. are reported individually and separately from the primary government on the City's government-wide financial statements.

Another element of the basic financial statements is the fund financial statements. These statements are designed to address the major individual funds by category (governmental, proprietary, and fiduciary).

Internal Controls

Establishing and maintaining the internal control system is the responsibility of City managers. Creating the internal control system requires estimates and judgments to assess the expected benefits and related costs of control procedures. The objective of an internal control system is to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and transactions are executed in accordance with management's authorization and are properly recorded to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Management must also develop adequate internal controls to ensure compliance with applicable laws and regulations related to federal and state financial assistance programs.

The internal control system's components form processes to provide reasonable assurance of the effectiveness and efficiency of City operations; reliability of financial reporting; compliance with applicable laws, regulations, contracts, and standards; and safeguarding public funds and assets to minimize incidences of fraud, waste, and abuse.

Budgetary Controls

The City maintains budgetary controls to ensure that legal provisions of the annual budget are in compliance and expenditures do not exceed budgeted amounts. Controls are exercised by integrating the budgetary accounts in fund ledgers for all budgeted funds. An encumbrance system is also used to account for purchase orders and other contractual commitments. Encumbered balances of appropriations at year-end are included in fund balance and are not reappropriated in the following year's budget.

OTHER INFORMATION

Independent Audits

Section 3-114 of the City Charter requires an annual financial audit by independent certified public accountants. Therefore, the Office of the City Auditor selected the accounting firm of Accuity LLP to perform the audit. The auditor's report is included in the financial section of this report. The Board of Directors of the Honolulu Authority for Rapid Transportation contracted N&K CPAs, Inc. to audit their financial statements. Accuity LLP and KMH LLP were engaged to audit the financial statements of the Board of Water Supply and Oahu Transit Services, Inc, respectively.

Awards

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City for its ACFR for the fiscal year ended June 30, 2022. The City has received the award for 36 years. In order to be awarded a Certificate of Achievement for Excellence in Financial Reporting, a government must publish an informative, transparent and efficiently organized ACFR. The report must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement for Excellence in Financial Reporting is valid for a period of one year only. We believe our current ACFR continues to meet the requirements of GFOA's Certificate of Achievement Program; we are submitting it to the GFOA to determine its eligibility for another certificate.

In addition, the City has received the GFOA's Distinguished Budget Presentation Award for its annual budget document for the past 24 years. To qualify for the award, the government must publish a budget document that meets program criteria as a policy document, a financial plan, an operations guide, and a communications device.

Acknowledgments

The preparation of the ACFR was made possible by the hard work and dedication of the public servants working for the City and particularly through the efforts of the BFS Accounting and Fiscal Services Division personnel. The City's sound financial position is a product of the strong leadership provided by the Mayor, City Council and all agency heads. I am honored to have had the opportunity to participate in the process of delivering to the people of Honolulu the report of the City's financial status for the year ended June 30, 2023.

Respectfully submitted,

Andrew T. Kawano, Director
Budget and Fiscal Services

Report of Independent Auditors

To the Chair and Members of the City Council
City and County of Honolulu

Opinion

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City and County of Honolulu, State of Hawai'i (the "City") as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the reports of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City, as of June 30, 2023, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of:

- The Honolulu Authority for Rapid Transportation, which is a major enterprise fund that represents 23 percent, 23 percent, and 36 percent, respectively, of the assets, net position, and revenues of the business-type activities as of June 30, 2023 and the respective changes in financial position, and where applicable, cash flows thereof for the year then ended.
- The Oahu Transit Services, Inc., which is a discretely presented component unit that represents 0 percent, (31) percent, and 43 percent, respectively, of the assets, net position, and revenues of the aggregate discretely presented component units as of June 30, 2023, and the respective changes in financial position, and where applicable, cash flows thereof for the year then ended.

Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for the Honolulu Authority for Rapid Transportation and Oahu Transit Services, Inc., are based solely on the reports of the other auditors.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matters

As discussed in Note 1 to the financial statements, effective July 1, 2022, the City adopted new accounting guidance, Governmental Accounting Standards Board Statement No. 96, *Subscription-Based Information Technology Arrangements*. Our opinion is not modified with respect to this matter.

As discussed in Note 1 to the financial statements, the beginning net position of the business-type activities and total component units have been restated to correct a misstatement. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- 
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management’s discussion and analysis (pages 23–39), budgetary comparison information (pages 151–157), schedule of proportionate share of the net pension liability (page 158), schedule of contributions (page 159), schedule of changes in net OPEB liability and related ratios (page 161), and schedule of contributions (page 162) be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We and other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplemental Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City’s basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America by us and other auditors. In our opinion, based on our audit and the reports of the other auditors, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditors’ report thereon. Our opinion on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 9, 2024, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

**CITY AND COUNTY OF HONOLULU
MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

The following Management's Discussion and Analysis (MD&A) is designed to provide an overview of the financial performance of the City and County of Honolulu (City) for the fiscal year ended June 30, 2023. The information presented in this MD&A should be considered in conjunction with the letter of transmittal in the Introductory Section of the Annual Comprehensive Financial Report (ACFR) and the financial statements that follow this subsection.

FINANCIAL HIGHLIGHTS FOR FISCAL YEAR 2023

- Revenues from governmental activities totaled approximately \$2.61 billion for fiscal year 2023 compared to \$2.41 billion for the prior fiscal year. Expenses before transfers amounted to \$1.89 billion for the current fiscal year compared to \$2.09 billion for the prior fiscal year. The governmental activities are summarized on page 28, discussed on pages 29 to 31, and reported on pages 46 and 47.
- The net position for the City's business-type activities increased by \$4.94 billion for the current fiscal year compared to \$208.9 million at June 30, 2022. The improvement in net position can be primarily attributed to the change in the treatment of component unit Honolulu Authority for Rapid Transportation (HART) from discrete to blended which resulted in an increase in net position of \$4.33 billion. Additionally there was an increase in operating grants of \$405.4 million and investment earnings of \$59.0 million from the prior fiscal year. The business-type activities are summarized on page 28, discussed on pages 32 and 33, and reported on pages 45 to 47.
- The combined ending governmental fund balances as of June 30, 2023 increased by \$126.5 million (as summarized on page 34) to \$2.23 billion (as reported on pages 55 and 56).
- Net capital assets, including intangible right-to-use assets, for the governmental activities rose from \$3.29 billion at the end of the prior fiscal year to \$3.33 billion at June 30, 2023. Likewise, net capital assets for the business-type activities increased from \$4.81 billion at the close of fiscal year 2022 to \$10.35 billion at June 30, 2023. Capital assets are discussed on pages 36 to 38, and reported on pages 102 to 105 in the Notes to Financial Statements.
- The debt applicable to the legal debt margin totaled \$3.54 billion, less than the City's statutory debt limit of \$39.82 billion (15% of the City's net assets valuation). Additional information on the City's long-term debt may be found on pages 38 and 39, on pages 107 to 113 in the Notes to Financial Statements, and on pages 306 to 311 in the Statistical Section.

CITY AND COUNTY OF HONOLULU
MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023

OVERVIEW OF THE FINANCIAL STATEMENTS

This MD&A serves as an introduction to the City's basic financial statements. The basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. In addition to the basic financial statements, the ACFR also contains required and other supplementary information.

Government-Wide Financial Statements

The government-wide financial statements include the Statement of Net Position and Statement of Activities and are intended to provide a broad overview of the City's finances, in a manner similar to the private sector. Accordingly, it provides both long-term (noncurrent) and short-term (current) information about the City's financial status.

The Statement of Net Position presents information on all of the City's assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference reported as net position. Over time, increases or decreases in net position serve as an indicator of whether the financial position of the City is improving or deteriorating.

The Statement of Activities presents how the City's net position changed during the fiscal year. Revenues and expenses are reported as soon as the underlying event occurs, regardless of the timing of the related cash flows. As such, the statement includes information for some items that will result in cash flows in future fiscal periods (e.g., uncollected taxes).

The government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that recover all or a significant portion of its costs through user fees or charges (business-type activities). The governmental activities of the City include general government, public safety, highways and streets, sanitation, human services, culture-recreation, and utilities or other enterprises (transportation). The business-type activities of the City include five enterprises: Housing, sewer, solid waste, public transportation and blended component unit Honolulu Authority for Rapid Transportation. The governmental activities and the business-type activities comprise the City's primary government.

The City's discretely presented component units, the semi-autonomous Board of Water Supply (BWS) and non-profit corporation Oahu Transit Services, Inc. (OTS), are combined in the government-wide financial statements. Although the focus of the government-wide statements is clearly on the primary government, the presentation informs the user of the relative relationship with the component units. Complete financial statements including their MD&A may be obtained from their respective offices: 630 South Beretania Street, Honolulu, Hawaii 96843 for BWS and 811 Middle Street, Honolulu, Hawaii 96819 for OTS.

CITY AND COUNTY OF HONOLULU
MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023

Fund Financial Statements

The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. All of the funds of the City may be divided into three categories: governmental funds, proprietary funds and fiduciary funds.

Governmental Funds. Governmental funds essentially are used to account for the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on short-term (current) inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's short-term (current) financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information reported for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's short-term financing decisions. Reconciliations are provided for both the governmental fund balance sheet, and the governmental fund statement of revenues, expenditures and changes in fund balances to facilitate the comparison between governmental funds and governmental activities.

As of June 30, 2023, there were thirty six governmental funds, each individually categorized as major or nonmajor. A fund is considered major if its revenues, expenditures, assets, or liabilities are at least 10% of corresponding totals for all governmental funds and at least 5% of the aggregate amount for all governmental and enterprise funds for the same item. The General Fund is always classified as a major fund. The three other major funds are the Highway Fund, the General Obligation Bond and Interest Redemption Fund, and the Federal Grants Fund. Information for the nine legally separated funds, combined as the General Fund, along with the twenty three nonmajor funds are presented in aggregate on the Balance Sheet, and the Statement of Revenues, Expenditures and Changes in Fund Balances for the governmental funds. Individual fund data is provided for each of the governmental funds under Other Supplementary Information of this report.

**CITY AND COUNTY OF HONOLULU
MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

Proprietary Funds. Enterprise services for which the City charges fees to customers are reported as proprietary funds. Like the government-wide financial statements, the proprietary fund statements report long-term (noncurrent) and short-term (current) financial information. The Statement of Cash Flows for the proprietary funds presents changes in cash and cash equivalents, resulting from operating, financing and investing activities; cash receipts and cash disbursements are reported without consideration of the earnings event, when an obligation arises, and excludes depreciation of capital assets. The City's proprietary funds, comprised of the Housing Development Special Fund, Sewer Fund, Solid Waste Special Fund, the Public Transportation System and blended component unit HART, are reported on pages 61 to 64. In addition, the proprietary funds are classified as business-type activities in the government-wide financial statements on pages 45 to 47.

Fiduciary Funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. The financial statements of the fiduciary funds are reported on pages 67 and 68.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Information

In addition to the basic financial statements and accompanying notes, the Financial Section of the ACFR presents certain required supplementary information. The combining financial statements referred to earlier in connection with nonmajor governmental funds are presented immediately following the required supplementary information. The individual fund statements and schedules may be found following the combining financial statements.

FINANCIAL ANALYSIS OF THE CITY AS A WHOLE (GOVERNMENT-WIDE)

Statement of Net Position

As noted earlier, net position may serve over time as a useful indicator of the City's financial position. Excluding its component units, the City's net position increased from \$647.4 million for the fiscal year ended June 30, 2022 to a balance of \$6.04 billion for the fiscal year ended June 30, 2023.

Net investment in capital assets (i.e., land, construction work in progress, buildings and improvements, equipment and machinery, leased assets and infrastructure) represents the largest portion of the primary government's net position, amounting to a positive balance of \$6.93 billion, an increase of \$4.45 billion compared to last fiscal year. The large increase is primarily due to the change in the treatment of component unit HART from discrete to blended, resulting in a restatement of \$3.91 billion to the net investment

**CITY AND COUNTY OF HONOLULU
MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

in capital assets as of July 1, 2022. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, the resources needed to repay this debt must be provided from other sources since the capital assets themselves cannot be used to liquidate these liabilities.

Resources that are subject to external restrictions on how they may be used reflected positive balances as shown below. For the fiscal year ended June 30, 2023, net position restricted for debt service decreased for the governmental activities from \$1.18 billion at June 30, 2022 to \$1.15 billion for the current fiscal year, primarily due to repayments on debt issued for various City capital improvement projects. Net position restricted for debt service increased by \$3.7 million to \$119.5 million for the business-type activities as of June 30, 2023 primarily due to additional debt issued for various capital improvement projects.

The governmental activities reported a negative unrestricted net position of \$3.83 billion as of June 30, 2023 compared to a negative of \$4.23 billion at the prior fiscal year ended. On the other hand, the unrestricted net position of the business-type activities improved to \$1.67 billion at the current fiscal year end compared to \$1.10 billion for the prior fiscal year end.

The following is a summary of the Statements of Net Position as of June 30, 2023 and 2022 (amounts in millions):

**Summary Statements of Net Position

* Restatement due to the implementation of GASB 96.

** Restatement due to the change in the presentation of component unit HART from discrete to blended.

**CITY AND COUNTY OF HONOLULU
MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

Total revenues for the primary government increased 19.8% from \$3.22 billion for fiscal year 2022 to \$3.86 billion for the current fiscal year. The increase can be credited primarily to the change in presentation of component unit HART from discrete to blended in fiscal year 2023 and the increases in property taxes.

Expenses for the primary government totaled \$2.80 billion for fiscal year 2023 of which \$1.89 billion is related to governmental activities and \$909.8 million to business-type activities. Depreciation and amortization, included as expenses in the above schedule, amounted to \$162.9 million for the governmental activities and \$140.2 million for business-type activities for fiscal year 2023 as disclosed on page 105. For the 2022 fiscal year, expenses for the primary government totaled \$2.92 billion; \$2.09 billion pertained to governmental activities and \$833.4 million to business-type activities.

Statement of Activities

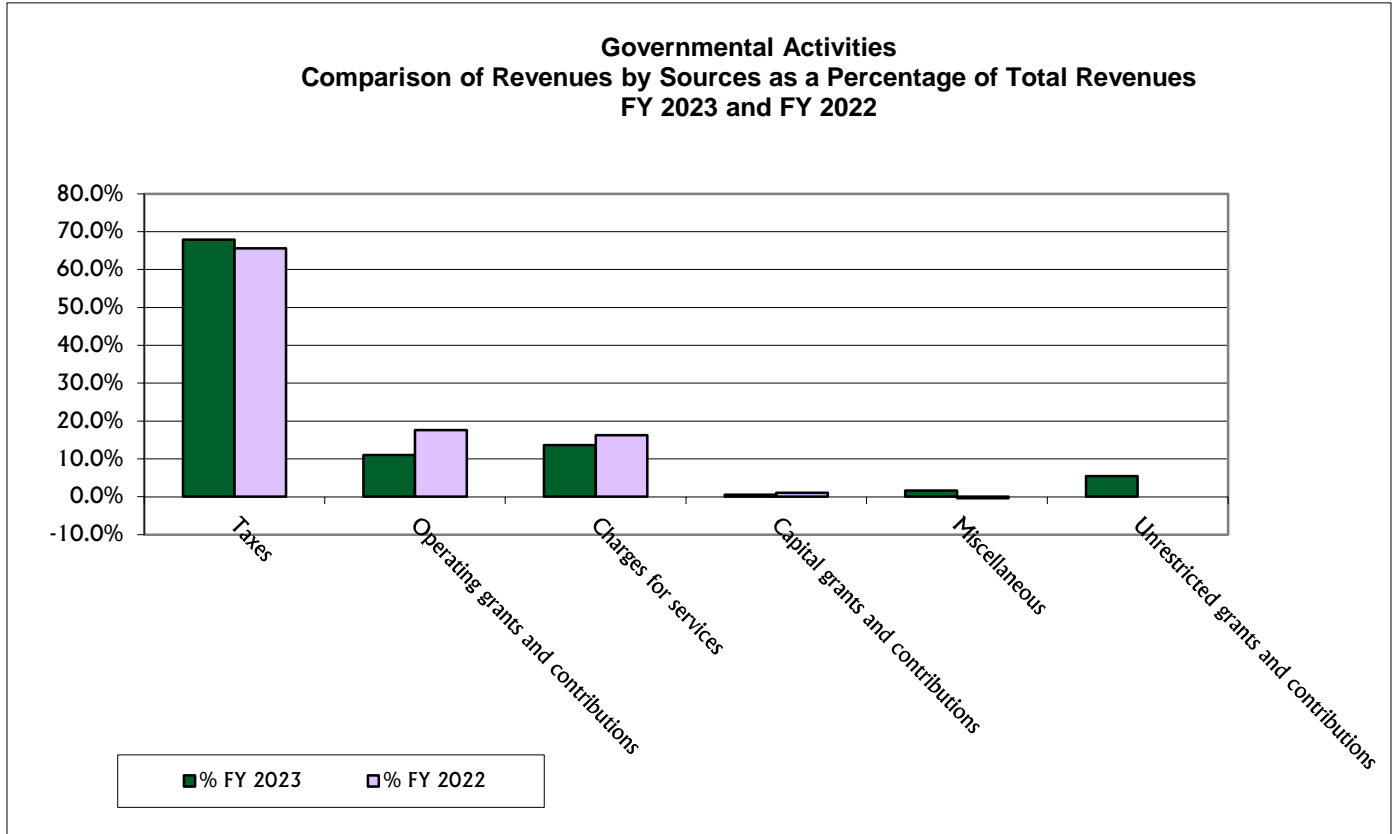

As noted earlier, the Statement of Activities presents how the City's net position changed during the current fiscal year. Revenues and expenses are reported as soon as the underlying event occurs, regardless of the timing of the related cash flows. As such, the statement includes information for some items that will result in cash flows in future fiscal periods (e.g., uncollected taxes).

Governmental Activities

Pension, OPEB and debt service costs as well as the impact of collective bargaining on salaries and wages increases for the City's governmental activities were factors contributing to the negative net position of \$1.98 billion as of June 30, 2023 and \$2.43 billion at the prior fiscal year end. Further declines were averted by the decrease of net OPEB liability.

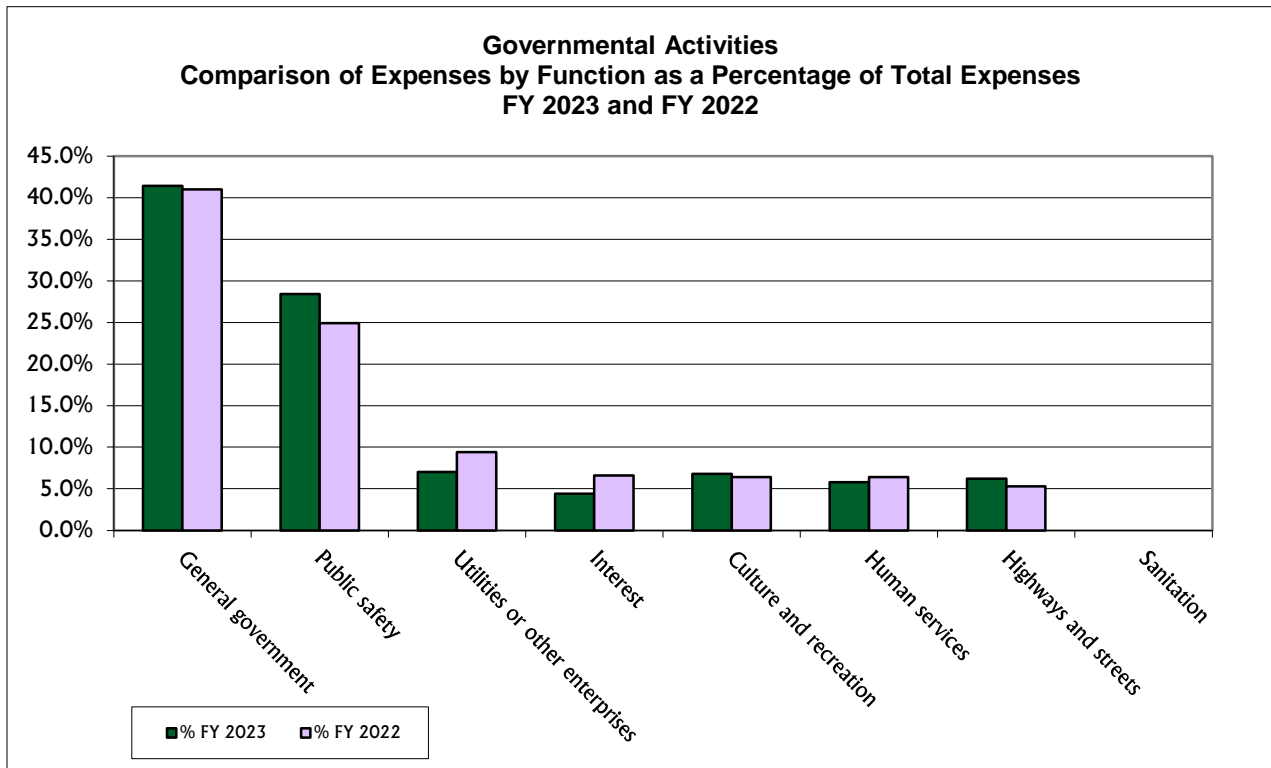

**CITY AND COUNTY OF HONOLULU
MANAGEMENT’S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

Revenues. The following chart presents a Comparison of Revenues by Sources as a Percentage of Total Revenues. The revenues from governmental activities increased by \$190.4 million for fiscal year 2023, taxes in proportion to total revenues for fiscal year 2023 increased compared to the preceding fiscal year. Specifically, taxes (i.e., real property, public service company, county transient accommodation, fuel, and public utility franchise), represented 67.9% of the revenues from governmental activities and totaled \$1.77 billion for fiscal year 2023, in comparison to 65.6% and \$1.58 billion for the prior fiscal year. Representing 11.0% of the revenues from governmental activities, operating grants and contributions decreased from \$424.2 million to \$287.3 million for fiscal year 2023 mainly due to recognizing more COVID-19 related funds in the prior fiscal year. Charges for services of \$352.5 million represented 13.6% of the revenues from governmental activities for fiscal year 2023, compared to 16.2% of total revenues for the previous fiscal year. Capital grants and contributions decreased slightly from 1.0% of total revenues for the prior fiscal year to 0.5% for the 2023 fiscal year. Unrestricted grants and contributions increased from \$53.0 thousand for fiscal year 2022 to \$139.5 million and for fiscal year 2023 primarily due to the recognition of revenue from State and Local Fiscal Recovery funds received due to COVID. Miscellaneous revenues, comprised mostly of investment earnings, increased from negative 0.4% of total revenues for fiscal year 2022 to 1.6% or \$42.6 million for the 2023 fiscal year. The increase was due to the rapid rise in interest rates which resulted in additional interest earnings on investments minimally offset by unrealized loss on the fair value of investments.

MANAGEMENT’S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

Expenses. The exhibit below displays the Comparison of Expenses by Function as a Percentage of Total Expenses for governmental activities for fiscal year 2023 compared to the prior fiscal year. Compared to total expenses, general government expenses were unchanged at 41.4% of total expenses with a decrease from \$855.9 million in the prior fiscal year to \$783.7 million in the current fiscal year. The decrease in expenditures is primarily due to a decrease in salary and related fringes compared to the prior year. Conversely, public safety expenses increased from 24.9% (\$518.4 million) for fiscal year 2022 to 28.4% (\$538.8 million) for fiscal year 2023. Utilities or other enterprises expenses decreased from 9.4% (\$196.2 million) last fiscal year to 7.0% (\$133.5 million) this fiscal year. Interest expenses decreased from 6.6% (\$137.3 million) for the prior fiscal year to 4.4% (\$83.6 million) for fiscal year 2023. In addition, culture and recreation expense increased to 6.8% (\$127.9 million) for fiscal year 2023 compared to 6.4% of total expenses for fiscal year 2022. Human services expenses, representing 6.4% of total expenses for the previous fiscal year, decreased to 5.8% (\$109.6 million) for the current fiscal year. Total highways and streets expenses increased from 5.3% (\$110.7 million) for the preceding fiscal year to 6.2% (\$116.8 million) for the current fiscal year.

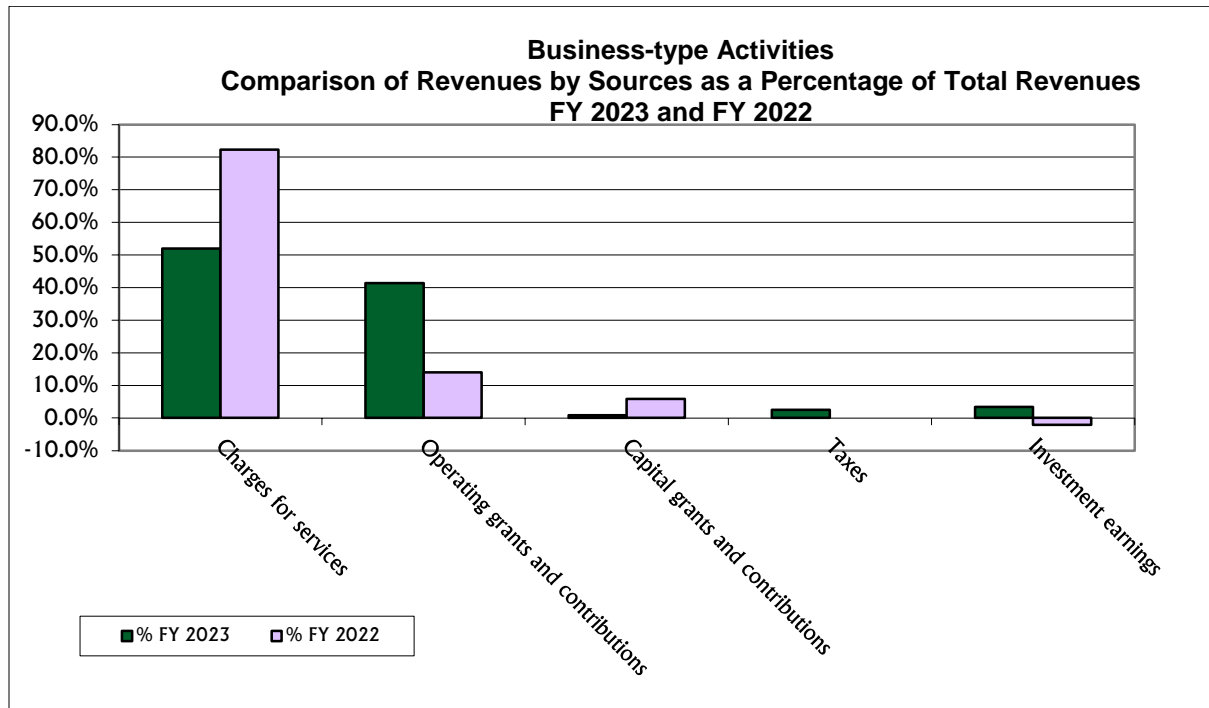

**CITY AND COUNTY OF HONOLULU
MANAGEMENT’S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

Business-type Activities

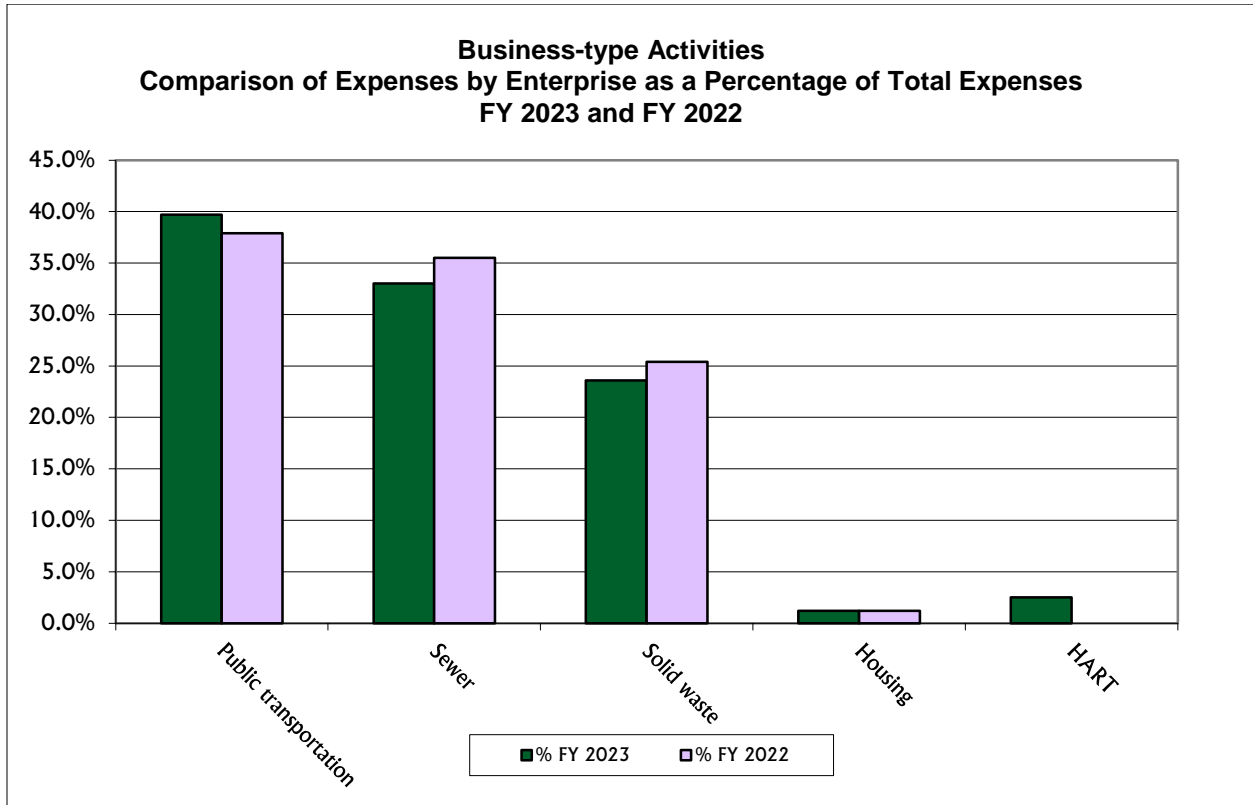

The net position of the City’s business-type activities increased by \$4.94 billion for fiscal year 2023, compared to \$208.9 million for fiscal year 2022. The increase is primarily attributable to the change in the treatment of component unit HART from discrete to blended resulting in a restatement of the business-type activities net position as of July 1, 2022 of \$4.3 billion.

Revenues. The exhibit below displays the Comparison of Revenues by Sources as a Percentage of Total Revenues for the business-type activities. Charges for services decreased from 82.3% of total revenues for fiscal year 2022 to 52.0% for the current fiscal year however revenues only decreased slightly from \$662.3 million in fiscal year 2022 to \$650.3 million in the current fiscal year. The decrease in the percentage of revenue is due to the addition of HART to the business-type activities as a blended component unit, Charges for services for fiscal year 2023 can be disaggregated as follows: Housing (\$12.3 million), sewer (\$461.1 million), solid waste (\$131.1 million), public transportation (\$45.5 million) and HART (\$272.0 thousand). The primary reason for the decrease in service charges is due to decreases in wastewater gallons processed as a result of water conservation efforts and ongoing rehabilitation of the wastewater system and a reduction in production at H-Power due to unexpected outages. Operating grants and contributions increased from \$112.6 million for fiscal year 2022 to \$518.0 million for the current fiscal year due to the addition of HART to the business-type activities. Investment earnings increased significantly from negative \$17.0 million for the prior fiscal year to \$42.0 million for the current fiscal year. The increase was a result of the increase in interest earned on investments.

MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

Expenses. From the Comparison of Expenses by Enterprise as a Percentage of Total Expenses shown in the exhibit below, expenses for the business-type activities remained relatively stable for fiscal years 2023 and 2022. Public transportation used the most resources (39.7%), followed closely by sewer (33.0%), solid waste accounted for 23.6% of total expenses, followed by HART (2.5%) and housing (1.2%). The breakdown for the prior fiscal year is as follows: Public transportation (37.9%), sewer (35.5%), solid waste (25.4%), and housing (1.2%).

FINANCIAL ANALYSIS OF THE CITY GOVERNMENT'S FUNDS

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the City's governmental funds is to provide information on short-term (current) inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements.

The following table summarizes in millions the changes in fund balances for the City's governmental funds for the 2023 fiscal year. The total change in fund balances of \$126.5 million for fiscal year 2023 decreased compared to \$205.5 million for the prior fiscal year. The decrease for the current fiscal year is due to a variety of factors including a decrease in the amount of general obligation bonds issued for public improvements.

**Changes in Fund Balances
(Amounts in Millions)**

	General Fund	Highway Fund	General Obligation Bond and Interest Redemption Fund	Federal Grants Fund	All Other Funds	Totals	
						2023	2022
Revenues:							
Taxes	\$ 1,626.7	\$ 107.1	\$ -	\$ -	\$ 22.6	\$ 1,756.4	\$ 1,579.9
Other	150.3	201.1	-	319.9	172.8	844.1	837.4
Total Revenues	1,777.0	308.2	-	319.9	195.4	2,600.5	2,417.3
Expenditures	1,273.0	114.5	315.0	323.3	323.6	2,349.4	2,359.7
Revenues over (under) Expenditures	504.0	193.7	(315.0)	(3.4)	(128.2)	251.1	57.6
Transfers and Other	(375.0)	(149.9)	283.1	0.4	116.8	(124.6)	147.9
Changes in Fund Balances	\$ 129.0	\$ 43.8	\$ (31.9)	\$ (3.0)	\$ (11.4)	\$ 126.5	\$ 205.5

The above changes in fund balances for the governmental funds differ from the changes in net position for governmental activities summarized on page 28. The differences relate to certain financial resources and expenditures such as debt financing and capital outlays that are included in the changes in governmental fund balances but are not reported in the changes in net position as detailed on page 57.

CITY AND COUNTY OF HONOLULU
MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023

General Fund. The General Fund is the main operating fund of the City. Its combined total fund balance increased \$129.0 million to \$572.6 million for the current fiscal year. Real property taxes increased \$127.6 million due to increases in real property assessments and Oahu transient accommodation taxes increased by \$22.2 million primarily due to the tax being in effect for a full year in the current fiscal year. Additionally, investment earnings increased \$56.6 million due to the increase in interest rates during fiscal year 2023.

Highway Fund. The Highway Fund includes special revenue proceeds that have been earmarked by law for highway and related activities. Major revenue sources include the City fuel tax, motor vehicle weight tax, and public utility franchise tax. Restricted fund balance increased from \$61.7 million for the 2022 fiscal year to \$105.5 million at the close of the current fiscal year. Although several factors affected the increase in the restricted fund balance, the most notable were the combined of \$16.2 million increase in public utility franchise tax, fuel tax, and motor vehicle weight tax collections and lower subsidy to the Transportation fund compared to the prior fiscal year.

General Obligation Bond and Interest Redemption Fund. The General Obligation Bond and Interest Redemption Fund accounts for principal and interest payments on general obligation serial bonds that have been issued by the City, State of Hawaii Revolving Fund notes payable due to federal and state government agencies, and general obligation commercial paper notes. Fund balance decreased by \$31.9 million for fiscal year 2023 to \$1.15 billion for the current fiscal year, mainly due to repayments by HART on the intrafund advance of general obligation bond proceeds prior to the due date of the bonds. HART is required to reimburse to the City as the bonds become due.

Federal Grants Fund. The Federal Grants Fund continues to be reported as a major fund due to significant earned and unearned revenue from various pandemic related federal grants during fiscal year 2023. Recognition of revenue for the COVID related grants decreased in fiscal year 2023 compared to previous fiscal year.

All Other Funds. This category is comprised of all the City's nonmajor governmental funds, and excludes the proprietary and fiduciary funds. Total fund balance for the fiscal year ended June 30, 2023 decreased by \$11.4 million, compared to an increase of \$85.5 million for the preceding fiscal year. A reduction in general obligation bond proceeds of \$103.0 million was the driving factor in the reduction.

**CITY AND COUNTY OF HONOLULU
MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

GENERAL FUND BUDGETARY HIGHLIGHTS

The following is a summary in millions of the most noteworthy fiscal year 2023 general fund revenue variances between the budgetary estimates and the actual amounts earned:

**General Fund Revenue Variances
(Amounts in Millions)**

Revenue Sources	Revenue Budget	Actual Revenues	Variances
Real Property Tax	\$ 1,485.3	\$ 1,519.4	2.3%
Public Service Company Tax	44.0	44.9	2.0%
County Transient Accommodation Tax	54.6	62.4	14.3%
Building Permits	21.0	20.9	(0.5)%
Motor Vehicle Registration Annual Fee	14.2	14.2	0.0%
Emergency Ambulance Services	41.7	30.2	(27.6)%

The variance in the Oahu transient accommodation tax was due to more taxpayers reporting and paying transient accommodation taxes than was budgeted. Conversely there was a decrease in emergency ambulance services recoveries from the State of Hawaii as a result of the State turning over the ambulance billing and collection program to the City during the current fiscal year as a result, recoveries from the State were less than budgeted.

There was no increase from the total original appropriated budget (including transfers) to the final amended expenditure budget (including transfers); line item amendments for the General Fund represent authorized changes between activities.

Actual expenditures were less than budgetary estimates by 13.5% (\$209.6 million) for fiscal year 2023. The lower actual expenditures were primarily related savings in salaries and fringes due unbudgeted vacancies. The net change in fund balance for the General Fund reflected a favorable variance of \$288.1 million for fiscal year 2023.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

The City's investment in capital assets and intangible right-to-use assets, net of accumulated depreciation and amortization, totaled \$13.68 billion for the primary government of which \$3.33 billion pertained to governmental activities as of June 30, 2023. This investment in capital assets includes land, construction work in progress,

CITY AND COUNTY OF HONOLULU
MANAGEMENT'S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023

buildings and improvements, equipment and machinery, infrastructure and leased and subscription assets.

Capital asset additions can be attributed primarily to costs incurred for various ongoing capital improvement projects for governmental activities and business-type activities during fiscal year 2023.

Major projects for the governmental activities include:

- Salt Lake Boulevard Widening Phase 3 (\$19.6 million)
- Rehabilitation of Streets and Bridges (\$12.3 million)
- Public Safety Equipment and Improvements (\$10.7 million)
- Improvements at Various Parks (\$10.2 million)

Major projects for the business-type activities:

- Sand Island WWTP Maintenance Building, Septage, and Site Improvements (MBSSI) (\$132.3 million)
- Airport Guideway and Stations Construction (\$68.3 million)
- HHCTCP – Core System From The East Kapolei to Ala Moana Station (\$58.4 million)
- Honouliuli WWTP Secondary Treatment Phase 1B - Secondary Compliance Facility (\$29.0 million)

Below are a few completed capital improvement projects for governmental activities and business-type activities during fiscal year 2023.

Major completed projects during fiscal year 2023 for the governmental activities include:

- Rehabilitation of Streets at Various Locations (\$34.2 million)
- Improvements at Various Parks (\$9.2 million)
- Public Safety Equipment and Improvements (\$8.0 million)

Major completed projects during fiscal year 2023 for the business-type activities include:

- Skyline Phase 1 Guideway from East Kapolei to Aloha Stadium and Land (\$1.95 billion)
- Skyline Control Center, Maintenance Facility and 9 Rail Stations (\$714.9 million)
- Skyline Trains, Fare Collection System, and Core Systems (\$299.2 million)
- Awa Street Wastewater Improvements Waiakamilo Road Trunk Sewer (\$89.5 million)
- Dowsett Highlands Relief Sewer Pali Highway (\$54.2 million)
- Acquisition of Public Transportation Vehicles for The Bus (\$28.5 million)

Additional information on the City's capital assets may be found in the Notes to Financial Statements on pages 102 to 105.

Long-Term Debt

At June 30, 2023, the long-term debt for the primary government amounted to \$6.63 billion, consisting mainly of total bonded debt (\$6.28 billion) and notes payable (\$346.7 million). The total bonded debt is comprised of \$4.10 billion in general obligation bonds and \$2.18 billion in revenue bonds secured by wastewater system revenue sources.

The following is a summary of the bonded debt activities during fiscal year 2023:

- On August 4, 2022, \$244.5 million of general obligation bonds were issued. Series 2022A was issued to refund a portion of general obligation bonds series 2012B. Series 2022B was issued to fund various capital improvement projects and Series C was issued to fund related equipment purchases.
- On June 21, 2023, \$17.0 million was drawn on the general obligation commercial paper Issue A-1. The proceeds were used to fund capital improvements for Skyline.

**CITY AND COUNTY OF HONOLULU
MANAGEMENT’S DISCUSSION AND ANALYSIS
Fiscal Year Ended June 30, 2023**

General obligation bonds Series 2022A, 2022B, and 2022C have been assigned ratings of “AA+” by Fitch Ratings and “Aa2 stable” by Moody’s Investors Service, respectively.

The Hawaii Revised Statutes limit the amount of general obligation debt the City may issue to 15.0% of its net assessed valuation.

Additional information on the City’s long term debt may be found on pages 107 to 113 under Note 8 titled Long-Term Liabilities, and on pages 145 and 146 under Note 17 titled Subsequent Events in the Notes to Financial Statements section.

ECONOMIC FACTORS AND NEXT YEAR’S BUDGETS AND RATES

The assessed valuation of real property (including new added property inventory) on Oahu increased \$35.04 billion for the current fiscal year to \$300.50 billion for fiscal year 2024. The \$1.72 billion calculated amount to be raised by taxation for fiscal year 2024, represents an increase compared to the actual amount earned of \$1.51 billion for fiscal year 2023.

The operating budget net of inter-fund transfers increased to \$3.41 billion for fiscal year 2024 compared to \$3.22 billion for 2023, primarily due to nondiscretionary costs such as retirement contributions for employees, healthcare benefits and other postemployment benefits, and negotiated pay raises.

CURRENTLY KNOWN FACTS, DECISIONS OR CONDITIONS

During the end of November 2021, the Navy housing residents noticed fuel odors in the tap water at the Joint Base Pearl Harbor Hickam facilities and residential housing. Soon after the Navy conducted multiple tests and confirmed the Red Hill shaft water source was contaminated with petroleum from the Red Hill Bulk Fuel Storage Facility (RHBFSF). Immediately after the contamination notice, BWS took precautionary measures and shut down its Aiea and Halawa wells. The Navy is permanently shutting down the RHBFSF and as one step in the process began draining the fuel from the storage facility starting October 2023.

FINANCIAL CONTACT

The ACFR is designed to provide a general overview of the City’s finances for all those with an interest in the government’s finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Director of Budget and Fiscal Services, City and County of Honolulu, 530 South King Street, Honolulu, Hawaii 96813.

Governmental Funds Financial Statements

MAJOR FUNDS

General Fund (Combined)

General Fund

This fund accounts for all financial resources except those required to be accounted for in another fund.

Grants in Aid Fund

This fund is used to award grants in aid to federal income tax exempt non-profit organizations that provide services to economically and/or socially disadvantaged populations or provide services for public benefit in the areas of the arts, culture, economic development or the environment.

Reserve for Fiscal Stability Fund

This fund accounts for monies determined to be in excess of expenditures, monies appropriated to the fund by City Council, and monies realized from the conveyance of City property and designated for deposit into the fund by City Council resolution. The reserves are designated for economic and revenue downturns and emergency situations.

Leasehold Conversion Fund

This fund accounts for all monies to assist lessees to purchase, at fair and reasonable prices, lands upon which residential condominium, cooperative housing or residential planned development are situated.

Improvement District Revolving Fund

Monies in this revolving fund are available to cover deficiencies, advance interest due, reimburse the General Fund in the event the payment of assessments are late or insufficient, and pay all expenses in connection with the sale of delinquent lots as bid for and purchased for the City by the Director of Budget and Fiscal Services.

Housing and Community Development Revolving Fund

This fund serves as a working capital fund to facilitate the expenditure of joint costs.

General Trust Fund

This fund accounts for monies received by the various agencies of the City for specific purposes, as escrow agent, custodian or security holder, for which no special fund exists. There are no trust agreements for this fund.

Treasury Trust Fund

Receipts and disbursements of monies from this fund are made through commercial checking accounts authorized by the Director of Budget and Fiscal Services. There is no trust agreement for this fund.

Real Property Tax Trust Fund

This fund is used for the purpose of making refunds and adjustments relating to real property taxes. There is no trust agreement for this fund.

Payroll Clearance Fund

This fund is used to clear payments of all salaries and wages.

Governmental Funds Financial Statements (Continued)

MAJOR FUNDS (CONTINUED)

Special Revenue Funds

Highway Fund

This fund accounts for disposition of proceeds from special revenues earmarked by law for highway and related activities. Major revenue sources include the City fuel tax, vehicle weight tax and public utility franchise tax.

Federal Grants Fund

This fund accounts for all monies received from the federal government as grants for specific projects as well as supporting monies from other sources, where such monies are not accountable in any other fund. All monies placed in the fund are maintained in separate accounts identified with, and expended for, the intended purposes.

Debt Service Fund

General Obligation Bond and Interest Redemption Fund

This fund accounts for payments of principal and interest on general obligation serial bonds issued by the City.

NONMAJOR FUNDS

Special Revenue Funds

Highway Beautification and Disposal of Abandoned Vehicles Revolving Fund

This fund accounts for receipts from motor vehicle registration certificates. These monies are expended primarily for the beautification of highways under the jurisdiction of the City and the disposition of abandoned vehicles.

Bikeway Fund

This fund accounts for bicycle and moped permanent registration fees, transfer fees, penalties, fines, and charges for duplicate tags and certificates of registration. These monies are earmarked for operating, acquisition and other costs related to bikeways.

Parks and Playgrounds Fund

All monies received in lieu of providing land in perpetuity or dedicating land, together with facilities for park and playground purposes are recorded in this fund. These monies must be expended for the purchase of land for parks and playgrounds, park and playground equipment, and/or the improvement of existing parks and playgrounds.

Liquor Commission Fund

This fund accounts for all monies collected by as well as received on behalf of the Liquor Commission and used for operational and administrative costs of the Liquor Commission.

Rental Assistance Fund

This fund accounts for all net receipts from the Hale Pauahi parking structure which are expended for monthly rental assistance payments to landlords on behalf of eligible applicants.

Governmental Funds Financial Statements (Continued)

NONMAJOR FUNDS (CONTINUED)

Special Revenue Funds (Continued)

Hanauma Bay Nature Preserve Fund

This fund accounts for receipts from the entrance and vehicle admission fees to the Hanauma Bay Nature Preserve and is earmarked primarily for the operation, maintenance and improvement of the Nature Preserve.

Clean Water and Natural Lands Fund

This fund receives and expends monies for the purchase of or to otherwise acquire real estate or any interest therein for land conservation in the City.

Affordable Housing Fund

This fund receives and expends monies to provide and maintain affordable housing for persons earning less than sixty percent of the median household income in the City.

Community Development Fund

Monies are provided by the federal government under the Housing and Community Development Act of 1974, as amended; the National Affordable Housing Act of 1990, as amended; monies generated as program income; and monies carried over from prior years. Funds are expended to carry out the objectives of the Acts.

Patsy T. Mink Central Oahu Regional Park Fund

This fund accounts for all revenues generated from the Patsy T. Mink Central Oahu Regional Park. These monies shall be expended, as appropriated, for the improvement, maintenance and repair of the City's Patsy T. Mink Central Oahu Regional Park.

Waipio Peninsula Soccer Park Fund

This fund accounts for all revenues generated from the Waipio Peninsula Soccer Park. These monies shall be expended, as appropriated, for the improvement, maintenance and repair of the City's Waipio Peninsula Soccer Park.

Honolulu Zoo Fund

This fund accounts for receipts from the entrance fees, rents, user fees, and miscellaneous revenues generated from operations of the Honolulu Zoo and is earmarked primarily for the administration, operation, repair, maintenance and improvement of the Honolulu Zoo.

Golf Fund

Receipts for this fund are derived from the operation of the City's golf facilities. All funds are expended for the management, operation and maintenance of the municipal golf courses.

Special Events Fund

This fund accounts for all revenues derived from the operation of the City's auditorium facilities and Waikiki Shell. All funds are expended for the operation of the Department of Enterprise Services.

Special Projects Fund

This fund accounts for all monies received under special contracts executed between the City and the State of Hawaii. Monies received from various other sources for operating and capital improvement expenditures for which no financing has been provided in other funds, such as contributions from property owners exclusive of improvement district assessment collections, are also accounted for in this fund.

Governmental Funds Financial Statements (Continued)

NONMAJOR FUNDS (CONTINUED)

Special Revenue Funds (Continued)

Housing and Community Development Rehabilitation Loan Fund

This fund makes loan monies available primarily to low and moderate income applicants unable to secure or qualify for funds under the Rehabilitation Loan Program sponsored by the federal government.

Pauahi Project Expenditures, Hawaii R-15 Fund

This fund was created to facilitate financing of the Pauahi Project redevelopment plan providing for the acquisition, clearance, construction of site improvements, and sale or lease of home, apartment and commercial sites to private parties for development in accordance with said plans. Also, funding may be used for any project that is eligible for Community Development Block Grant monies.

Housing and Community Development Section 8 Contract Fund

This fund accounts for all monies received from the federal government under the Housing and Community Development Act of 1974 for the purposes set forth under Title II of the Act.

Debt Service Fund

Improvement District Bond and Interest Redemption Fund

This fund accounts for the redemption of maturing City improvement district assessment bonds and collections of special assessments.

Capital Projects Funds

General Improvement Bond Fund

This fund accounts for proceeds of general obligation bonds issued to pay all or part of those appropriations in the Capital Budget Ordinance for public improvements specified to be expended from this fund.

Highway Improvement Bond Fund

Proceeds of general obligation bonds issued to pay all or a part of those appropriations in the Capital Budget Ordinance for highway and related public improvements are accounted for in this fund.

Federal Grants Capital Projects Fund

All monies received from the federal government in the form of grants, entitlements or payments in lieu of taxes, to fund capital projects, and Federal Revenue Sharing funds appropriated for capital projects are deposited or transferred into this fund and expended for the purposes for which such monies are received or appropriated.

Capital Projects Fund

This fund accounts for monies received from sources other than the federal government in the form of grants, entitlements, shared revenues or payments in lieu of taxes, and City monies appropriated for capital projects transferred into this fund. These monies are expended for the purposes received or appropriated. Transactions relating to acquisition of capital improvements financed by special assessments are also accounted for in this fund.

CITY AND COUNTY OF HONOLULU
GOVERNMENTAL FUNDS
 RECONCILIATION OF THE STATEMENT OF REVENUES,
 EXPENDITURES AND CHANGES IN FUND BALANCES
 TO THE STATEMENT OF ACTIVITIES
 FOR THE FISCAL YEAR ENDED JUNE 30, 2023
 (Amounts in thousands)

Amounts reported for governmental activities in the statement of activities are different because:

Net change in fund balances--total governmental funds	\$ 126,515
Governmental funds report capital outlays as expenditures. The Statement of Activities reports depreciation and amortization expense on capital assets and other adjustments. This is the difference between those amounts for this year.	39,176
Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the funds.	12,662
Proceeds from the issuance of long-term debt are reported as providing current financial resources in the governmental funds, but are reported as long-term debt in the government-wide financial statements. Repayment of such debt is reported as an expenditure for governmental funds but is reported as a reduction of debt in the government-wide financial statements.	114,123
Some expenses reported in the Statement of Activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.	84,535
Loss on refunding is recorded as an other financing use in the fund statement but as a deferred outflow of resources in the government-wide financial statements. Amortization of the deferred outflow of resources is reported as interest in the Statement of Activities but does not require current financial resources and is not reported in the funds.	(10,547)
Funds report expenditures for contributions for pensions, OPEB and asset retirement obligations (ARO). The government-wide financial statements report deferred outflows, deferred inflows, pension expense, OPEB expense and ARO expense.	81,100
Change in net position of governmental activities	\$ 447,564

The notes to the financial statements are an integral part of this statement.

Proprietary Funds Financial Statements

Housing Development Special Fund

This fund accounts for monies designated for the development of housing for sale or for rental by the City. Transactions in this fund are incorporated in the financial statements for the housing program.

Sewer Fund

This fund accounts for all monies received pursuant to the provisions of the Federal Water Pollution Control Act amendments of 1972 and the Hawaii Revised Statutes and expended for the purposes authorized.

Solid Waste Special Fund

This fund accounts for all revenues derived from the operation of the City's Refuse Division, solid waste disposal programs, glass recycling program, and other recycling programs. All monies placed in this fund are maintained in separate accounts identified with and expended for the intended purposes.

Public Transportation System

The Transportation Fund is for the management, operation, and maintenance of the bus, handi-van and rail system, including the City bus system (TheBus), the special transit service (The Handi-Van) and the rail transit system.

Honolulu Authority for Rapid Transportation

Effective July 1, 2011, pursuant to a 2010 amendment to the Revised Charter of the City, the Honolulu Authority for Rapid Transportation (HART) was created to develop the City's fixed guideway system (Skyline).

Notes to the Financial Statements

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

1. Summary of Significant Accounting Policies

The Financial Reporting Entity

The City and County of Honolulu (City), located in the State of Hawaii is a municipal corporation governed by an elected mayor and a nine-member City Council. The City operates under a City Charter, which was originally adopted in 1959 and most recently amended in November 2022.

The accompanying financial statements present the operations of the City, as primary government, as well as its discretely presented component units, the Board of Water Supply (BWS) and Oahu Transit Services, Inc. (OTS).

The City's operations are organized by the following general functions: general government, public safety, highways and streets, sanitation, human services, culture and recreation, and utilities or other enterprises.

State of Hawaii (State) agencies assume full responsibility for several major functions usually performed by local governments such as education, welfare, health and judicial functions. These agencies are not dependent on the City and therefore, are not included in these financial statements. There is no separate city, county or township government nor any school district, special district, authority or public corporation with overlapping authority presented in the accompanying financial statements.

Component Units –

Blended Component Unit – The city's blended component unit, Honolulu Authority for Rapid Transportation (HART), is a semi-autonomous City agency. It is legally separated from the City, however it provides services exclusively to the City for the benefit of the Public Transportation System. HART's financial information is included in the proprietary fund financial statements.

HART's board of directors consists of fourteen members, nine voting members and five non-voting members. A majority of the board members of HART, the governing body, are either appointed by the Mayor, selected by the City Council or are City officials. HART has been granted corporate powers by the City Charter such as preparing the annual operating and capital budgets for the fixed guideway system (Skyline). Pursuant to the City Charter, the City Council, upon HART's request, may authorize the City to issue bonds, implying a financial burden relationship between the City and HART.

In November 2016, the voters of the City and County of Honolulu approved an amendment to the City Charter transferring the responsibility for operations and maintenance of Skyline to the City's Department of Transportation Services (DTS) effective July 1, 2017. On June 30, 2023, the first segment of Skyline began operations with service from East Kapolei to Aloha Stadium. The change in

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

responsibility for operations and maintenance resulted in the change in the treatment of HART from a discretely presented component unit to a blended business-type activity component unit, resulting in a restatement of the business-type activities net position as of July 1, 2022. The business-type activities net position increased by \$4.3 billion and the total component units net position decreased by \$4.3 billion. Complete financial statements of HART may be obtained online at <http://www.honolulustransit.org> or from their office located at 1099 Alakea Street, Suite 1700, Honolulu, Hawaii, 96813.

Discretely Presented Component Units - The combining statements of these component units in the financial statements include the financial data of the two legally separated, discretely presented component units. BWS, is a semi-autonomous City agency and OTS, is a private non-profit corporation.

A majority of the board members of BWS, the governing body, are appointed by the Mayor and confirmed by the City Council. BWS has been granted corporate powers by the City Charter. The City does not have the authority to modify or approve the BWS budgets; however, there is an implied financial burden relationship between the City and BWS. Complete financial statements of the BWS may be obtained from the Board of Water Supply, 630 South Beretania Street, Honolulu, Hawaii 96843 or online at <http://www.hbws.org>.

OTS' board of directors consists of seven voting members. Chapter 13 of the Revised Ordinance of the City effectuated the formation of a private, non-profit corporation to serve as the transit management services contractor. The board of directors selects new members to fill vacancies on the board, subject to City approval. The City may remove any board director when the City determines that the removal is required to fulfill the best interests of the city bus system or special transit services. Complete financial statements may be obtained by writing to OTS, Inc., 811 Middle Street, Honolulu, Hawaii, 96819.

Government-wide and Fund Financial Statements - The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the activities of the primary government and its component units, excluding the fiduciary funds. For the most part, the effect of interfund activity has been eliminated from these statements except for charges between the water and wastewater utilities and various other functions. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. Likewise, the primary government is reported separately from the legally separate discretely presented component units for which the primary government is financially accountable.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

The statement of activities reflects the direct expenses of the functional category or segment, which are supported by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include:

- charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment, and
- grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment.

Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for the governmental funds, proprietary funds, and fiduciary funds even though the fiduciary funds are excluded from the government-wide financial statements. Major individual governmental funds and major individual proprietary (enterprise) funds are reported as separate columns in the fund financial statements.

The City reports the following as major governmental and proprietary funds:

General Fund

This fund is the City's primary operating fund. It includes all financial resources of the general government, except those required to be accounted for in another fund. The major revenue source is the real property tax.

Highway Fund

This fund accounts for disposition of proceeds from special revenues earmarked by law for highway and related activities. Major revenue sources include the City fuel tax, vehicle weight tax and public utility franchise tax.

General Obligation Bond and Interest Redemption Fund

This fund accounts for payments of principal and interest on general obligation serial bonds issued by the City, notes payable due to federal and state government agencies and general obligation commercial paper notes. Major revenue sources include proceeds from the issuance of bonds and transfer of funds from the general fund.

Federal Grants Fund

This fund accounts for disposition of the proceeds provided by the federal government that directly assists the City in the form of any grant, loan, contract, or other financial assistance. This may include use of equipment, donations of surplus property and other forms of in-kind assistance. Major revenue sources

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

include the federal assistance in response to the COVID-19 pandemic through the American Rescue Plan Act (ARPA).

Housing Development Special Fund

This fund accounts for monies designated for the development of housing for sale or for rental by the City. Transactions in this fund are incorporated in the special statements for the housing program. Revenue sources include housing and parking rental income. Additional sources include shared appreciation equity from the City's Shared Appreciation Equity Program and subsidies from the general fund primarily for debt service payments.

Sewer Fund

This fund accounts for all monies received pursuant to the provisions of the Federal Water Pollution Control Act amendments of 1972 and the Hawaii Revised Statutes and expended for the purposes authorized. Revenue sources include monthly user service charges and system facility charges for new customers connecting to the sewer system.

Solid Waste Special Fund

This fund accounts for all revenues derived from the operation of the City's Refuse Division solid waste disposal programs, glass recycling program, and other recycling programs. All monies placed in this fund are maintained in separate accounts identified with and expended for the intended purposes. Revenue sources include solid waste disposal fees, refuse collection fees, and electrical energy fees received from the sale of electrical energy produced by the combustion of refuse at the City's solid waste disposal facility. Additional sources include subsidies from the general fund to support the refuse collection and disposal operations.

Public Transportation System

The Public Transportation System (PTS) is created for the management, operation, and maintenance of the City's transportation system, including the City bus system (The Bus), the special transit service (The Handi-Van) and the rail transit system (Skyline) which opened for service from West Oahu to Aloha Stadium on June 30, 2023. Revenue sources include passenger fares for The Bus, The Handi-Van and Skyline (effective July 2023) and subsidies from the general and highway funds to support transit operations. Additional sources include City contributions for the purchase of capital assets (primarily buses and vans), contributions of capital assets from HART for Skyline, and funding from federal grants.

Honolulu Authority for Rapid Transportation

This fund accounts for all monies designated for the construction of the City's rail transportation system (Skyline). Monies designated for HART are received from federal grants, state general excise tax surcharges, state and county transient accommodation taxes and capital contributions.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Measurement Focus, Basis of Accounting and Financial Statement Presentation - The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Measurable means the amounts are determinable. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within sixty days of the end of the current fiscal period. Revenues not considered available are recorded as unearned revenues. Revenues susceptible to accrual are real property taxes and county transient accommodation taxes collected within sixty days after fiscal year end, fuel taxes, rents and concessions, interest and special assessments. Licenses and permits revenues, franchise taxes, charges for current services, fines, forfeitures, penalties and other miscellaneous revenues are not susceptible to accrual because they are not measurable until received in cash.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the individual programs are used as guidance. There are essentially two types of these revenues. For one type of revenues, monies must be expended for a specific purpose or project and revenues are recognized to the extent of such expenditures. Revenues of this type are deferred for monies received in advance of expenditures and accrued for expenditures in advance of monies received. For the other type of revenues, monies are virtually unrestricted as to purpose of the expenditure. These resources are reflected as revenues at the time of receipt, or earlier if the susceptible to accrual criteria are met.

Expenditures generally are recorded when a liability is incurred. However, debt service expenditures, as well as expenditures related to compensated absences, pensions, other post-employment benefits and claims and judgments, are recorded only when payment is due.

The City's fiduciary funds are presented in the fund financial statement by type. Since by definition these assets are being held for the benefit of a third party and

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

Fund Types - The financial transactions of the City are recorded in individual funds. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, deferred outflows, liabilities, deferred inflows, fund balances/net position, revenues and expenditures/expenses. There are certain minimum criteria (percentage of the assets, liabilities, revenues or expenditures/expenses of either fund category or the governmental and enterprise funds combined) for the determination of major funds. The non-major funds are combined in a column in the fund financial statements and detailed in the combining section.

The City has the following fund types:

Governmental Fund Types

The focus of governmental fund measurement (in the fund financial statements) is upon determination of net position and changes in net position (sources, uses and balances of financial resources) rather than upon net income.

The City's governmental fund types are as follows:

General Fund – The general fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds – Special revenue funds are used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes.

Debt Service Funds – Debt service funds are used to account for the accumulation of resources for, and the payment of debt principal, interest and related costs.

Capital Projects Funds – Capital projects funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds).

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Proprietary Funds

The focus of proprietary fund measurement is upon determination of operating income, changes in net position, net position and cash flows. The generally accepted accounting principles applicable are those similar to businesses in the private sector. The City maintains five proprietary enterprise fund types (Housing, Sewer, Solid Waste, Public Transportation and the Honolulu Authority for Rapid Transportation) as well as its two discretely presented component units under the following criteria:

Enterprise Funds – Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises:

(a) where the intent of the governing body is that the costs (i.e., expenses including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds are charges to customers for sales and services. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Fiduciary Funds

There are four types of fiduciary funds, pension (and other employee benefit) trust funds, investment trust funds, private-purpose trust funds and custodial funds. The City's fiduciary fund is comprised of a custodial fund. The custodial fund is used to account for miscellaneous assets held by the City. Collection of state motor vehicle fees and taxes and special assessments for improvement districts are the major miscellaneous assets accounted for in the custodial fund.

Accounting Standards

The accompanying financial statements of the City have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) for governments as prescribed by the Governmental Accounting Standards Board (GASB).

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Budget and Budgetary Accounting

Annual operating and project-length capital budgets are adopted on a basis consistent with GAAP except that encumbrances are treated as budgeted expenditures in the year the commitments are made.

Encumbrances

Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of monies are recorded in order to assign that portion of the applicable operating budget appropriation, is employed as an extension of formal budgetary integration in the general fund and in certain special revenue funds. Capital projects funds employ encumbrance accounting in order to assign to construction contracts that portion of the applicable capital projects appropriation.

Encumbrances are recorded at the time purchase orders, construction contracts or other contracts or commitments are awarded, except for contracts awarded contingent upon the availability of nonbudgeted federal or state grant monies. Encumbrances outstanding at year-end are included in fund balances and do not constitute expenditures or liabilities because the commitments will be honored during the subsequent year.

Cash and Investments

Cash and cash equivalents are considered to be demand and time deposits primarily with various financial institutions in Hawaii, with fiscal agents, short-term investments with original maturity of three months or less from date of acquisition, and imprest and change funds. Cash on deposit with financial institutions is collateralized in accordance with State statutes.

Investments consists of U.S. treasury and government securities, municipal securities, certificates of deposits and nonparticipating guaranteed investment contracts. All non-participating investment contracts are recorded at amortized cost. Participating investment contracts with a maturity of one year or more are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Participating investment contracts with a maturity of less than one year are recorded at amortized cost. In fiscal year 2023, the City recorded a loss on the change in the fair value of investments of \$3.6 million and \$1.0 million for the governmental and proprietary funds, respectively.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Real Property Taxes

Real property taxes are assessed and billed annually. The City's real property taxes, which are levied on July 1 and billed on July 20 and January 20 of each year, are based on assessed valuations as of October 1, and are due in two equal installments on the following August 20 and February 20. Accordingly, real property taxes receivable at June 30 of each year are delinquent and amounts that are not collected within sixty days after June 30 of each year are reported as deferred inflow of resources in the fund financial statements. A lien for real property taxes attaches as of July 1 of each year.

Real Property Tax Abatement Programs

The City provides seven real property tax abatement programs that reduce tax revenues –

Dedicated Agricultural or Vacant Agricultural Land – Section 8-7.3 of the Revised Ordinances of Honolulu (ROH) provides abatements to encourage agricultural use or preservation of vacant agricultural land. Taxpayers must file an application for the abatement. The abatement for agricultural use is equal to 97% or 99% of the assessed value of the portion of real property dedicated for agricultural for five or ten years, respectively. For land dedicated as vacant agricultural land the abatement is 50% of the assessed value of the portion of the real property dedicated as vacant agricultural. The amount of the abatement is shown as a reduction of the assessed value of the property and the property tax is calculated based on the net taxable value of the property. For agricultural land the abatement is for a minimum of either five or ten years and for vacant agricultural land the abatement is for a minimum of ten years. There is no provision for automatic renewal; the taxpayer must file a new application for abatement if they wish to maintain the abatement.

Commercial Property Historical Dedication – Section 8-10.27 of the ROH provides abatements to encourage preservation of commercial property which has been placed on either the National or Hawaii Register of Historical Places. Taxpayers must file an application for the abatement and include a copy of a covenant, which has been recorded in the Bureau of Conveyance or Land Court, ensuring the public is provided with reasonable visual access to the property and that the property is maintained in accordance with an approved maintenance agreement. The abatement is equal to 50% of the assessed value of the portion of real property dedicated for preservation. The amount of the abatement is shown as a reduction of the assessed value of the property and the property tax is calculated based on the net taxable value of the property. The abatement is for a minimum of ten years, automatically renewable indefinitely.

Residential Property Historical Dedication - Section 8-10.19 of the ROH provides abatements to encourage preservation of residential property which has been

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

placed on the Hawaii Register of Historical Places and is more than fifty years old. The property owner must provide visual access to the property and the property shall meet or exceed average condition and during the dedicated period the property shall be maintained in at least average condition. Taxpayers must file an application for the abatement. The abatement is equal to 100% of the assessed value of the portion of real property dedicated for preservation. The amount of the abatement is shown as a reduction of the assessed value of the property and the property tax is calculated based on the net taxable value of the property. If the tax due is less than \$300 the property owner is billed the City's minimum property tax of \$300 per year. The abatement is for a minimum of ten years, automatically renewable indefinitely.

Dedicated Land in Urban Districts - Section 8-10.11 of the ROH provides abatements to encourage preservation of landscaping, open space, public recreation or other similar uses. Taxpayers must file an application for the abatement. The abatement is equal to 100% of the assessed value of the portion of real property dedicated. The amount of the abatement is shown as a reduction of the assessed value of the property and the property tax is calculated based on the net taxable value of the property. If the tax due is less than \$300 the property is billed the City's minimum property tax of \$300 per year. The abatement is for a minimum of ten years, automatically renewable indefinitely.

Low Income Rental Housing Exemption - Section 8-10.17 of the ROH provides abatements to property owners to provide low income rental housing for residents. Real property which is used for a low income housing project and subject to a regulatory agreement is exempt from property taxes during the regulated period. Taxpayers must file an application for the abatement along with a copy of the recorded regulatory agreement. The abatement is equal to 100% of the assessed value of the portion of real property dedicated as low income rentals. The amount of the abatement is shown as a reduction of the assessed value of the property and the property tax is calculated based on the net taxable value of the property. If tax due is less than \$300 the property owner is billed the City's minimum property tax of \$300 per year. The exemption is for one year and must be filed for annually.

Central Kakaako Industrial Zone Limited Development Exemption - Section 8-10.31 of the ROH provides abatements to property owners to preserve and promote industrial uses in the Central Kakaako area. The exemption from real property taxes for real property, or a portion thereof, is 50% of the assessed value. The real property must be within the location of the central Kakaako industrial zone (refer to Exhibit 1 in Section 8, Article 10 of ROH) and is actively and continuously used for industrial uses (ex. repair services, manufacturing, and others). A certification is required from the Hawaii Community Development Authority (HCDA) to determine if the property is being limited to a maximum floor area ratio of 1.5 due to inadequate infrastructure under the Hawaii Administrative Rules Section 15-

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

217-57. The exemption is for a two year period and property owner must file for recertification by the HCDA confirming the maximum floor area ration every 2 years thereafter for as long as applicable.

Qualifying Affordable Rental Dwelling Units or Affordable Rental Housing Units – Section 8-10.33 of the ROH provides abatements to encourage property owners to provide affordable rental housing for residents. The portion of real property used for affordable rental dwelling units or affordable housing units shall be exempt for the duration of the regulated period, or the ten year exemption period if subject to a declaration of restrictive covenants. In addition to the initial application for the abatement, the claimant must file an annual renewal application, along with the applicable compliance certifications.

If a dedication or exemption is disallowed due to noncompliance, the owner is subject to roll back taxes, penalty and interest. The rollback taxes are retroactive to the date specified in the specific ROH section for each abatement. The amount due is the difference between what was billed and what should have been billed together with penalty and interest for each roll back year.

The gross amount by which the City’s tax revenues were reduced during the year as a result of the tax abatement programs totaled (amounts in thousands):

Dedicated agricultural and vacant agricultural land	\$ 10,999
Commercial property historical dedication	713
Residential property historical dedication	3,186
Dedicated land in urban districts	75
Low income rental housing exemption	18,691
Central Kakaako industrial zone limited development	1,005
Total gross amount of revenue reduction	\$ 34,669

Unbilled Receivables

Included in the receivables at June 30, 2023 for BWS and the proprietary fund type were unbilled water and sewer charges (due to the use of cycle billings) in the amounts of \$11.2 million and \$37.0 million, respectively.

Inventories of Parts, Materials and Supplies

Inventories of parts, materials and supplies are stated at weighted average cost, which approximates fair value. The costs of inventories are recorded as expenditures when consumed rather than when purchased.

Capital Assets

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

statements. All infrastructure assets acquired prior to fiscal year 1980 are capitalized and those acquired after this date are capitalized when certain thresholds are met. Assets with an initial, individual cost of \$5,000 or more for equipment and \$100,000 or more for buildings, structures and infrastructure, and an estimated useful life of more than one year are capitalized. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated and accepted capital assets are recorded at acquisition value at time of acceptance by City Council. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs related to repairs and maintenance are expensed as incurred.

Depreciation on all assets is provided for on the straight-line basis over the following estimated useful lives:

<u>Type of Capital Assets</u>	<u>Years</u>
Infrastructure	8-75
Buildings and improvements	10-50
Transmission and distribution system	13-100
Equipment and machinery	5-30
Buses and other transit vehicles	7-15

Leases

A lease is defined as a contractual agreement that conveys the control of the right to use another entity’s nonfinancial asset, for a minimum contractual period of greater than one year, in an exchange or exchange-like transaction. The City leases, both as a lessee and a lessor, nonfinancial assets such as land, buildings and equipment to meet operational needs or serve the general public. As a lessee, the City recognizes a lease liability and an intangible right-to-use lease asset based on the present value of the future lease payments over the term of the lease. Lease assets are reported with capital assets, and lease liabilities are reported as long-term debt in the statement of net position. The lease assets are amortized over the term of the lease. As a lessor, the City recognizes a lease receivable and a deferred inflow of resources, based on the present value of the future lease payments expected to be received during the lease term. The deferred inflow of resources is amortized over the life of the lease.

The City uses its estimated incremental borrowing rate as the discount rate for leases unless the discount rate is known. The City’s incremental borrowing rate is based on the general obligation and revenue bonds’ weighted-average interest rate for a given year. Payments based on future performance are not included in the measurement of the lease liability or lease receivable but recognized as revenue or expense in the period performed.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

The minimum dollar thresholds established for lease reporting recognition are leases with an initial, individual value of \$5,000 or more for equipment and \$100,000 or more for land and buildings.

Subscription Based Information Technology Arrangements

Subscription based information technology arrangements (SBITA) are defined as contracts that convey control of the right-to-use a SBITA vendor's information technology software for a period of time in an exchange or exchange like-transaction. The City subscribes, as a licensee, for software that provides services for the operations of the City and for the general public. The City recognizes a subscription liability and an intangible right-to-use subscription asset based on the present value of the future subscription payments over the term of the subscription. Subscription assets are reported with capital assets, and subscription liabilities are reported as long-term debt in the statement of net position. The subscription assets are amortized over the term of the license.

Similar to leases, the City uses its estimated incremental borrowing rate as the discount rate for subscriptions unless the discount rate is known. The City's incremental borrowing rate is based on the general obligation bonds' weighted-average interest rate for a given year.

The minimum dollar thresholds established for subscription reporting recognition are subscriptions with initial, individual value of \$5,000 or more for software.

Service Concession Arrangements

Service concession arrangement (SCA) are defined as arrangements between a government (transferor) and an operator in which the transferor conveys to the operator the right and related obligation to provide public services through the use and operation of a nonfinancial asset, such as infrastructure or other capital asset in exchange for significant consideration, such as an upfront payment, installment payments, a new facility, or improvements to an existing facility. The operator collects and is compensated by fees from third parties. The transferor determines or has the ability to modify or approve which services the operator is required to provide, to whom the operator is required to provide the services, and the prices or rates that can be charged for the services. The transferor is entitled to significant residual interest in the service utility of the underlying asset at the end of the arrangement.

Pensions

For purposes of measuring the net pension liability, deferred outflows and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Employee's Retirement System of the State of Hawaii Plan (ERS) and additions to/deductions from ERS's fiduciary net position have been determined on the same basis as they are reported by ERS. For this

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Postemployment Benefits Other Than Pensions (OPEB)

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the Hawaii Employer-Union Health Benefits Trust Fund (EUTF) and additions to/deductions from EUTF's fiduciary net position have been determined on the same basis as they are reported by EUTF. For this purpose, benefit payments are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Asset Retirement Obligation (ARO)

An ARO is a legally enforceable liability relating to retirement of a tangible capital asset. A government that has a legal obligation to perform future asset retirement activities related to its tangible capital assets should recognize a liability.

Deferred Outflows / Inflows of Resources

Deferred Outflows of Resources represent a consumption of net assets that apply to future periods and therefore will not be recognized until that time. Bond refunding costs and certain pension, OPEB and ARO related costs are deferred and amortized systematically over a specified period of time. The balances as of June 30, 2023 are as follows (amounts in thousands):

	Governmental Funds	Business-Type Funds	Component Units
Deferred loss on refunding of debt	\$ 53,780	\$ 91,963	\$ 12,922
Deferred ARO related costs	141	5,523	-
Deferred pension related costs	330,383	37,804	31,634
Deferred OPEB related costs	190,397	26,457	64,327
	<u>\$ 574,701</u>	<u>\$ 161,747</u>	<u>\$ 108,883</u>

Deferred Inflows of Resources represent an acquisition of net assets that apply to future periods and consequently will be recognized as revenue at that time. Deferred leases intangible right to use, service concession arrangements, pension and OPEB related costs are amortized systematically over a specified period of time. On the statement of net position, for governmental activities, business-type activities, and component units the balances as of June 30, 2023 are as follows (amounts in thousands):

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

	Governmental Funds	Business-Type Funds	Component Units
Deferred leases receivable	\$ 24,277	\$ 632	\$ 2,523
Deferred SCAs receivable	2,357	-	-
Deferred pension related costs	251,672	37,760	15,226
Deferred OPEB related costs	334,985	47,924	230,465
	<u>\$ 613,291</u>	<u>\$ 86,316</u>	<u>\$ 248,214</u>

On the balance sheet for the governmental funds a deferred inflow of resources is reported for unavailable revenue expected to be collected after August 31, 2023 as well as lease and SCA receivable expected payments related to future periods. The balances as of June 30, 2023 are as follows (amounts in thousands):

	Governmental Funds
Unavailable Revenue	
Sub-recipient loan program	\$ 51,041
Public utilities franchise taxes	30,594
Real property taxes	24,938
Housing assistance loan program	5,966
Others	2,571
Sub-total	<u>\$ 115,110</u>
Deferred leases receivable	24,277
Deferred SCAs receivable	2,357
Total unavailable revenue	<u>\$ 141,744</u>

Bond Issue Costs, Original Issue Discount or Premium

Bond issue costs are recorded as expenditures in the year incurred. Original issue discount or premium is amortized over the terms of the respective issues and is added to or offset against the bonds payable in the statement of net position.

Intrafund and Interfund Transactions

Interfund receivables and payables are reported in each fund. Transfers of financial resources between agencies and activities included in the same fund, which are recorded as revenues by the transferee and expenditures or expenses by the transferor, have been eliminated. Transactions that represent reimbursements to a fund for expenditures or expenses initially made from it that are properly applicable to another fund are recorded as expenditures or expenses in the reimbursing fund and as reductions of expenditures or expenses in the reimbursed fund.

Transfers from the primary government include operating loss subsidies of \$176.0 million to the PTS, \$109.9 million to the Solid Waste Fund, and authorized transfers from funds receiving revenues to funds that will expend those resources. Contributions to the capital asset accounts of enterprise funds are reflected in the statement of revenue, expenses and changes in net position.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Fund Balance

In accordance with GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, the City classifies governmental fund balance as follows:

- *Nonspendable* includes fund balance amounts that cannot be spent because they are not in spendable form, or because of legal or contractual requirements.
- *Restricted* includes fund balance amounts that are constrained for specific purposes which are externally imposed. Sources of these externally enforceable legal restrictions include creditors, grantors, contributors, federal regulations, the State Constitution, State statutes, the City's revised charter, and enabling State legislation for assessments.
- *Committed* includes fund balance amounts that are constrained for specific purposes that are internally imposed by the City through formal action (i.e., ordinance) of the highest level of decision making authority (i.e., City Council) with the consent of the Mayor. The Fiscal Stability Fund was established by Ordinance 98-32 as a fund designated for economic and revenue downturns and emergency situations. Funds can be appropriated only by ordinance when specific economic or revenue triggers are met or in the case of an emergency as defined in the ordinance. Deposits to the fund shall be made with funds deemed to be in excess of funding to sustain services, subject to council approval. The balance in the fund is \$154.6 million at June 30, 2023.
- *Assigned* includes fund balances that have been encumbered for purchasing commitments by the Chief Procurement Officer or delegate in accordance with the Budget and Fiscal Services Policies and Procedures and are considered neither restricted nor committed.
- *Unassigned* includes residual positive fund balance within the General Fund which has not been classified within the other above-mentioned categories. Unassigned fund balance may also include negative balances for any governmental fund if expenditures exceed amounts restricted, committed, or assigned for those specific purposes.

The City spends restricted amounts first when both restricted and unrestricted fund balance is available unless there are legal documents/contracts that prohibit doing this, such as in grant agreements requiring dollar for dollar spending. Additionally, the City would first use committed, then assigned, and lastly unassigned amounts of unrestricted fund balance when expenditures are made. The City does not have a formal minimum fund balance policy. The financial statements for the governmental funds are reported on pages 55 to 57.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

The following is a summary (amounts in thousands) of the fund balance classifications for the major and other governmental (nonmajor) funds as of June 30, 2023:

	General Fund	Highway Fund	GOB and IR Fund*	Federal Grants Fund	Other Governmental Funds	Total Governmental Funds
Restricted for:						
Highways	\$ -	\$ 105,466	\$ -	\$ -	\$ 9,230	\$ 114,696

*General Obligation and Interest Redemption Fund

Net Position

Net position comprises the various net earnings (losses) from operating and nonoperating revenues, expenses, transfers and contributed capital. Net position is classified in the following three components: Net investment in capital assets; restricted for capital activity and debt service; and unrestricted net position. Net investment in capital assets consists of capital assets, net of accumulated depreciation and outstanding debt attributable to the acquisition, construction or

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

improvement of those assets. Debt related to unspent proceeds or other restricted cash and investments at year-end is not included in the calculation of net investment in capital assets. Restricted for capital activity and debt service consists of net position for which constraints are placed thereon by external parties, such as lenders, grantors, contributors, laws, regulations and enabling legislation, including self-imposed legal mandates. Unrestricted net position consists of all other net position not included in the above categories.

The City uses restricted amounts first when both restricted and unrestricted net position are available unless there are legal documents/contracts that prohibit doing this, such as in grant agreements requiring dollar for dollar spending.

Retirement Plan Contributions

Act 181 (SLH 2004) established fixed employer contribution rates as a percentage of compensation. Pursuant to the new Act 17 (SLH 2017), the City's fiscal year 2023 contribution rates to the Employees' Retirement System of the State of Hawaii were 41.0% for Police and Fire or 24.0% for general employees.

Deferred Compensation Plan

All full-time employees of the City and its component units except OTS are eligible to participate in the City and County of Honolulu's Public Employees' Deferred Compensation Program (Plan), adopted pursuant to Internal Revenue Code Section 457. The Plan permits eligible employees to defer a portion of their salary until future years by contributing to a fund managed by a plan administrator. Amounts in the plan are not available until termination of employment, retirement, death or an unforeseeable emergency.

A trust fund was established to protect plan assets from claims of general creditors and from diversion to any uses other than paying benefits to participants and beneficiaries. Deferred compensation plan assets of \$849.8 million, which are not controlled by the City, are not reported in the accompanying financial statements at June 30, 2023.

Compensated Absences

The City accrues accumulated unpaid vacation when earned (or estimated to be earned) by the employee. Vacation benefits accrue at a rate of one and three-quarters working days for each month. Each employee is allowed to accumulate a maximum of 90 days of vacation as of the end of the calendar year.

Sick leave accumulates at the rate of one and three-quarters working days for each month without limit. Sick leave is taken only in the event of illness and is not convertible to pay; accordingly, sick leave is not accrued in the accompanying financial statements. Employees who retire or leave government service in good standing with sixty or more unused sick leave days are entitled to an additional

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

service credit in the retirement system. At June 30, 2023, accumulated sick leave amounted to \$403.1 million.

Enterprise Funds

The City maintains seven enterprise funds. Five are included in the proprietary fund type and consist of the Housing Development Special Fund, Sewer Fund, Solid Waste Special Fund, PTS and blended component unit HART, two are included as discretely presented component units and consist of the BWS and OTS.

Information on these enterprise funds, including significant accounting policies, is described in Notes 12 and 16.

Deficit Balances

As of June 30, 2023 there were no deficit balances reported in any of the City's primary government funds.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues, expenses/expenditures, and other financing sources and uses during the reporting period. Actual results could differ from those estimates.

New Accounting Pronouncements

In March 2020, GASB issued Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*. The objective of this Statement is to set forth guidance for reporting of public-private and public-public partnership arrangements (PPPs) and availability payment arrangements (APAs). PPPs are partnerships between the government as transferor and another governmental or nongovernmental entity as operator to provide public services while conveying the right to operate or use the underlying PPP asset. This provision provides guidance on whether to account for a contract by using this provision's service-concession agreement (SCA) method or non-SCA, PPP method, or by using Statement No. 87, *Leases*. The provisions of this Statement are effective for the period beginning after June 15, 2022. The implementation resulted in recognition of SCA receivables and additional deferred inflows of resources in the amount of \$2.4 million as of June 30, 2023. The implementation did not result in a restatement of net position. See Note 13 for details.

In May 2020, GASB issued Statement No. 96, *Subscription-Based Information Technology Arrangements*. The objectives of this Statement are to define Subscription-Based Information Technology Arrangements (SBITA) and establish

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

a model for accounting and reporting in line with Statement No. 87, *Leases*. A SBITA is a contract that conveys the right to use a SBITA vendor's software alone or with underlying IT assets for a period of time in an exchange transaction. Under this Statement, the government is required to recognize a subscription liability and an intangible right-to-use subscription asset, thus enhancing the relevance and consistency of information reported about the government's subscription activities. The provisions of this Statement are effective for the period beginning after June 15, 2022. The City implemented the provisions of this statement as presented in the financial statements. The implementation resulted in the recognition of additional subscription assets and liabilities and a change in net position. Subscription assets of \$4.0 million, subscription liabilities of \$3.6 million and an increase in net position of \$451,000 were reported in the government wide financial statements as of July 1, 2022. See Notes 6 and 8 for details.

In April 2022, GASB issued Statement No. 99, *Omnibus 2022*. The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees. The requirements of this Statement are effective as follows:

- The requirements related to leases, PPPs, and SBITAs are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter. The City implemented these provisions and determined there was no material impact on the financial statements.
- The requirements related to financial guarantees and the classification and reporting of derivative instruments within the scope of the Statement 53 are effective for fiscal years beginning after June 15, 2023, and all reporting periods thereafter. The City has not yet determined the effect these requirements will have on its financial statements.

In June 2022, GASB issued Statement No. 100, *Accounting Changes and Error Corrections – an Amendment of GASB Statement No. 62*. The objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. The Statement requires disclosures in the notes regarding the nature of the changes or errors and the quantitative effect of each. The requirements of this Statement are effective for fiscal years beginning after June 15, 2023. The City has not yet determined the effect this Statement will have on its financial statements.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

In June 2022, GASB issued Statement No. 101, *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. The Statement requires a liability to be reported for certain types of compensated absences and establishes guidelines to for measuring the liability. This Statement is effective for fiscal years beginning after December 15, 2023. The City has not yet determined the effect this Statement will have on its financial statements.

2. Budgets and Budgetary Accounting

On or before March 2 of each year, the Mayor submits to the City Council proposed operating and capital budgets for the ensuing fiscal year commencing on July 1. The budgets are on a basis consistent with GAAP except that encumbrances are treated as budgeted expenditures in the year the commitments are made. After public hearings, and on or prior to June 15, the budgets are legally enacted through passage of budget ordinances by the City Council.

All proprietary funds have legally adopted annual budgets as well as the following governmental funds:

- General Fund
- Highway Fund
- Liquor Commission Fund
- Bikeway Fund
- Highway Beautification and Disposal of Abandoned Vehicles Revolving Fund
- Special Events Fund
- Honolulu Zoo Fund
- Golf Fund
- Hanauma Bay Nature Preserve Fund
- Rental Assistance Fund
- Clean Water and Natural Lands Fund
- Affordable Housing Fund
- Patsy T. Mink Central Oahu Regional Park Fund
- Waipio Peninsula Soccer Park Fund
- Grants in Aid Fund
- Community Development Fund
- Housing and Community Development Rehabilitation Loan Fund
- Housing and Community Development Section 8 Contract Fund
- Federal Grants Fund
- Special Projects Fund

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Formal budgetary integration is employed (i.e., annual operating budgets are legally adopted) for the General Fund and special revenue funds. Effective budgetary control for debt service, trust and custodial, and revolving funds is achieved through bond indentures, contractual provisions and legislation. Formal budgetary integration is not employed for capital projects because effective budgetary control is achieved through contractual provisions and project oversight. Flexible budgeting (i.e., the relationship of costs to revenues) is employed for enterprise funds.

Appropriations lapse at the end of the fiscal year if not expended or encumbered, except that appropriations for capital projects lapse twelve months after the end of the fiscal year if not expended or encumbered. The Mayor is authorized to transfer appropriations between activities (divisions) within a department and between characters of expenditure (salaries, current expense, and equipment) within the same activity subject to certain limitations. City Council approval by resolution is required for 1) any transfer of funds between activities when the cumulative amount of transfers from or to an activity totals in excess of \$100,000 or ten (10%) percent of the amount appropriated for that activity, whichever is less; and 2) any transfer of funds between characters of expenditure within the same activity when the cumulative amount of such transfers exceeds the lesser of \$100,000, or the greater of ten (10%) percent of the appropriation for either the originating or receiving characters of expenditure or \$10,000. To transfer appropriations between departments, the legal level of budgeting, amendments via a bill must be made to the enacted budget ordinance. The lowest legal level of budgetary control at which appropriations are adopted is at the department level. Only the Mayor may propose amendments to the enacted budget ordinance.

The financial statements aggregate budgetary information at the functional level. The legal level of budgetary control (i.e., department level) is reported in the individual fund statements. The budget figures presented include all amendments, if any, to the enacted budget ordinances.

3. Reconciliation of Government-Wide and Fund Financial Statements

The governmental funds balance sheet includes a reconciliation between fund balance of total governmental funds and net position of governmental activities as reported in the government-wide statement of net position. One element of that reconciliation explains that, "Long-term liabilities and interest payable, are not due and payable in the current period and, therefore, are not reported in the funds." Long-term liabilities applicable to the City's governmental activities are not due and payable in the current period and, accordingly, are not reported as fund liabilities. However, all current and long-term liabilities are reported in the statement of net

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

position. The details of this \$7.6 billion difference are as follows (amounts in thousands):

Long-term liabilities (see Note 8)	\$ 4,279,375
Net pension liability	2,190,379
Net other post-employment benefits liability	1,114,016
Accrued interest payable and other	<u>56,018</u>
Net adjustment	<u><u>\$ 7,639,788</u></u>

The governmental fund statement of revenues, expenditures and changes in fund balances includes a reconciliation between net change in fund balances of total governmental funds and change in net position of governmental activities as reported in the government-wide statement of activities. One element of that reconciliation states that, "Governmental funds report capital outlays as expenditures. The statement of activities reports depreciation and amortization expense on capital assets and other adjustments." The details of this \$39.2 million difference are as follows (amounts in thousands):

Capital outlays	\$ 179,928
Lease and subscription financings	9,582
Contributions	11,167
Transfers, net	177
Write offs and loss on disposal*	(481)
Other	1,720
Depreciation expense	(150,895)
Amortization expense	<u>(12,022)</u>
Net adjustment	<u><u>\$ 39,176</u></u>

* Write offs are a result of projects deemed not feasible and cancelled.

Another element of that reconciliation states that, "Revenue in the Statement of Activities that do not provide current financial resources are not reported as revenue in the funds." The details of this \$12.7 million difference are as follows (amounts in thousands):

Taxes	\$ 13,602
Intergovernmental	(646)
Other	<u>(294)</u>
Net adjustment	<u><u>\$ 12,662</u></u>

Another element of that reconciliation states that, "Proceeds from the issuance of long-term debt are reported as providing current financial resources in the governmental funds, but are reported as long-term debt in the government-wide financial statements. Repayment of such debt is reported as an expenditure for governmental funds but is reported as a reduction of debt in the government-wide

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

financial statements.” The details of this \$114.1 million difference are as follows (amounts in thousands):

General obligation bonds issued, net		\$	(289,433)
Principal Repayments:			
General obligation bonds, net	\$		403,462
Other long-term debt		94	403,556
Net adjustment			<u><u>\$ 114,123</u></u>

Another element of that reconciliation states that, “Some expenses reported in the Statement of Activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.” The details of this \$84.5 million difference are as follows (amounts in thousands):

Decrease in asset retirement obligation	\$		33
Increase in compensated absences			(4,970)
Increase in claims and judgements			(7,605)
Decrease in lease liability			2,554
Increase in net pension liability			(112,999)
Decrease in net OPEB liability			207,077
Decrease in other			445
Net adjustment		<u><u>\$</u></u>	<u>84,535</u>

Another element of that reconciliation states that, “Loss on refunding is recorded as other financing use in the fund statement but as a deferred outflow of resources in the government-wide financial statements”. Amortization of the deferred outflow of resources is reported as interest in the Statement of Activities but does not require current financial resources and is not reported in the funds.” The government-wide financial statements report a net adjustment of \$10.5 million for deferred outflows related to debt refundings.

The final element of that reconciliation states that, “Funds report expenditures for contributions for pensions, OPEB and asset retirement obligations (ARO). The government-wide statements report deferred outflows, deferred inflows, pension expense, OPEB expense and ARO expense.” The details of this \$81.1 million difference are as follows (amounts in thousands):

Decrease in deferred outflows	\$		(48,139)
Decrease in deferred inflows			129,239
Net adjustment		<u><u>\$</u></u>	<u>81,100</u>

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

4. Cash and Investments

The City maintains a cash and investment pool that is used by all funds, except the Oahu Transit Services, Inc. workers' compensation trust fund, which is held separately by the independent plan administrator (see Note 12). The respective portion of this pool for each fund is displayed in the accompanying financial statements.

Cash and Cash Equivalents

The City's demand deposits, including those of its fiduciary funds and component units, are fully insured or collateralized with securities held by the City or its agents in the City's name. Section 38-3, Hawaii Revised Statutes and the City's policy on collateralization govern acceptable forms of collateral.

Investments

State statutes authorize the City to invest in obligations of the U.S. Treasury and U.S. agencies, obligations of other states, cities, and counties, mutual funds and bank repurchase agreements. Investments in repurchase agreements are primarily U.S. government or federal agency securities. Section 46-50, Hawaii Revised Statutes, the City's investment policy and resolution 18-115, CD1 governs acceptable types of investments. The City's resolution 07-51, CD1 governs the deposit and short-term investment of general excise and use tax revenues and resolution 18-115, CD1 governs the deposit and short-term investment of other moneys that are deemed in excess of the amount necessary for the meeting of immediate requirements.

Credit Risk (amounts in thousands):

	Fair Value	Quality Rating			
		Aaa	Aa1	Aa2	Not Rated
Primary Government:					
U.S. government treasury	\$ 24,795	\$ 24,795	\$ -	\$ -	\$ -

Fiduciary Funds:					
Certificate of deposits	9,115	-	-	-	9,115

Interest Rate Risk

The City structures the investment portfolio so that securities mature to meet cash requirements for ongoing operations avoiding the need to sell securities on the open market prior to maturity. This practice decreases the City's exposure to risk

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

caused by the fluctuation in interest rates. The City may invest operating funds primarily in shorter-term securities, money market mutual funds, or similar investment pools. As of June 30, 2023, the City had no investments in money market mutual funds or external investment pools.

Concentration of Credit Risk

The fair value and maturities of investments as of June 30, 2023 were as follows (amounts in thousands):

	Cost	Fair Value	Investment Maturity in Years	
			Less than One	1 to 5
Primary Government:				
U.S. government treasury	\$ 24,965	\$ 24,795	\$ -	\$ 24,795

Component Units:				
Board of Water Supply				
U.S. government treasury	\$ 482,631	\$ 461,533	\$ 225,465	\$ 236,068
U.S. government agencies	107,052	102,932	35,650	67,282
Total	<u>\$ 589,683</u>	<u>\$ 564,465</u>	<u>\$ 261,115</u>	<u>\$ 303,350</u>
Fiduciary Funds:				
Certificate of deposits	\$ 9,115	\$ 9,115	\$ 9,115	\$ -

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Investments whose values are based on quoted prices (unadjusted) for identical assets or liabilities in active markets that a government can access at the measurement date. An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 – Investments whose values are based on inputs other than quoted prices included within Level 1 that are observable for an asset or liability, either directly or indirectly. If the asset or liability has a specified (contractual) term, a level 2 input must be observable for most of the full term of the asset or liability. Level 2 inputs include:

- Quoted prices for similar assets or liabilities in active markets,

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

- Quoted prices for identical or similar assets or liabilities in markets that are not active,
- Inputs other than quoted prices that are observable for the asset or liability,
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Investments classified as Level 3 have unobservable inputs for an asset or liability and may require a degree of professional judgment.

A description of the valuation techniques used by the City to measure fair value is as follows:

- U.S. Treasury obligations: Valued using quoted prices in active markets for identical assets.
- U.S. government agency obligations, municipal securities and certificate of deposits: Valued using quoted prices for identical or similar assets in markets that are not active.

The following table sets forth by level, within the fair value hierarchy, assets measured at fair value on a recurring basis as of June 30, 2023 (amounts in thousands):

	Fair Value	Level One	Level Two
Primary Government:			
Municipal securities	\$ 60,024	\$ -	\$ 60,024
U.S. government securities	1,885,201	-	1,885,201
U.S. Government Treasury	24,795	24,795	-
Total	<u>\$ 1,970,020</u>	<u>\$ 24,795</u>	<u>\$ 1,945,225</u>
Component Units:			
Board of Water Supply			
U.S. government treasury	\$ 461,533	\$ 461,533	\$ -
U.S. government agencies	102,932	-	102,932
Total	<u>\$ 564,465</u>	<u>\$ 461,533</u>	<u>\$ 102,932</u>

As of June 30, 2023, investments recorded at amortized cost totaled \$1.4 billion for primary government.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

5. Receivables

Receivable balances at June 30, 2023 consists of the following (amounts in thousands):

	Governmental Activities	Business-Type Activities
Real property taxes	\$ 26,987	\$ -
Public utilities franchise taxes	30,594	-
Oahu transient accommodation taxes	9,561	-
Accounts	2,212	95,025
Special assessments	1	-
Notes	59,385	-
Leases	24,277	632
Service concession arrangements	2,357	-
Intergovernmental	13,951	123,766
Interest	13,617	15,072
Payroll and others	6,202	770
Allowance for uncollectible accounts	(2,005)	(10,410)
	<u>\$ 187,139</u>	<u>\$ 224,855</u>

Revenues not collected within sixty days of fiscal year end are recorded as deferred inflows of resources in the governmental funds. \$115.1 million of the receivables have been deferred at June 30, 2023.

The only receivables not expected to be collected within one year are the noncurrent portion of the notes receivable in the amount of \$59.1 million, lease receivables of \$23.9 million and service concession arrangement receivables of \$1.9 million, which are generally due to the City on various dates through 2073, 2056 and 2028, respectively.

7. Interfund Balances

The following is a summary of amounts due from and due to other funds at June 30, 2023 (amounts in thousands):

	Due From Other Funds	Due to Other Funds
General Fund	\$ 1,966	\$ 11,386
Highway Fund	3	22
Federal Grants Fund	41	860
G.O. Bond and Interest Redemption Fund	1,007,658	-
Nonmajor Governmental Funds	108	1,201
Fiduciary Funds	45	-
Enterprise Funds:		
Sewer Fund	-	18
Solid Waste Special Fund	-	49
Housing Development Special Fund	30	-
Honolulu Authority for Rapid Transportation Fund	11,343	1,007,658
	<u>\$ 1,021,194</u>	<u>\$ 1,021,194</u>

The main purpose for these interfund balances are: interfund loans; subsidies and other transfers required by ordinance; capital improvement projects; accruals of interfund transactions; and cash not transferred before the end of the fiscal year. The amount due to the General Obligation Bond and Interest Redemption Fund from HART was previously reported as an advance to the component unit and payable to the city, respectively. The change in treatment of the advance to an interfund receivable is due to the change in the treatment of the component unit from discretely presented to blended. At June 30, 2023, all interfund balances are expected to be repaid.

The following is a summary of amounts transferred from and transferred to other funds for the year ended June 30, 2023 (amounts in thousands):

	Transferred from Other Funds	Transferred to Other Funds
General Fund	\$ 219,568	\$ 602,308

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

General Obligation Bonds

The City issues general obligation bonds for the purchase of major equipment and the construction of capital improvement projects. General obligation bonds in the governmental activities are direct obligations of the City, for which its full faith and credit is pledged, and are a first charge on the General Fund of the City. The requirement of GAAP that additional information for each individual issuance includes (a) unused Letter of Credit; (b) assets pledged as collateral for debt; (c) terms in case of Default: (c-1) terms specified in debt agreements related to significant events of default with finance-related consequences, (c-2) significant termination events with finance-related consequences, (c-3) significant subjective acceleration clauses to be disclosed is not applicable to all the outstanding general obligation bonds. Debt service is paid from the debt service fund. These bonds were issued during the fiscal years 2011 through 2023 in the original amount of \$4.47 billion, less discounts of \$3.3 million and adjusted for premiums of \$757.3 million that are being amortized over the related term of the bonds. These bonds bear interest at 2.00% to 6.5%, and mature serially through fiscal year 2048. General obligation debt authorized but not issued yet amounted to \$2.31 billion at June 30, 2023.

General obligation bonds in the City's business-type activities are expected to be paid from their respective revenues. These instruments are also direct obligations of the City for which its full faith and credit is pledged. These bonds were issued during the fiscal years 2011 through 2023 in the original amount of \$678.6 million less a discount of \$293.6 thousand and adjusted for premiums of \$45.0 million, which are being amortized over the related term of the bonds. These bonds bear interest at 2.0% to 5.25% and mature serially through fiscal year 2047.

On August 4, 2022, the City issued general obligation bond Series 2022 in the aggregate amount of \$244.5 million. The bonds were comprised of tax exempt forward refunding Series A and Series B and C.

Series 2022A was issued for \$147.0 million. The bonds mature annually on November 1, 2023 through 2029 and bear interest rate of 5.0%. The proceeds of the bonds were used to refund a portion of general obligation bond series 2012B. The forward refunding was undertaken to reduce total debt payment by \$167.9 million and resulted in economic gain of approximately \$16.9 million.

Series 2022B was issued for \$75.1 million. The bonds mature annually on July 1, 2023 through 2047 and bear interest rates of 3.5% to 5.3%. For the bonds maturing on and after July 1, 2033 through 2047 except bonds maturing on July 1, 2039, the City may exercise its option of redemption on or after July 1, 2032 in whole or in part, at any time, in any order of maturity selected by the City, and by lot within maturity, at the principal amount thereof, plus interest accrued to the date fixed for redemption thereof, without premium. The proceeds of the bonds were used to fund various current capital improvements of the City.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Series 2022C was issued for \$22.4 million. The bonds mature on July 1, 2023 through 2030 and bear an interest rate of 5.0%. The proceeds of the bonds were used to fund related equipment purchases of the City.

The Hawaii Revised Statutes limit the amount of general obligation debt the City may issue to 15.0% of its net assessed valuation. The statutory debt limit for fiscal year 2023 was \$39.82 billion. The City's outstanding debt applicable to the legal debt margin totaled \$3.54 billion as of June 30, 2023.

General Obligation Commercial Paper Notes

The City has four letters of credit facilities outstanding, Issue A, Sub-Issues A-1 and A-2 and Issue B, Sub-Issues B-1 and B-2 with an aggregate maximum amount of \$450.0 million. A third amendment to the revolving credit agreement for \$100.0 million Issue A, Sub Issues A-1 and A-2 was signed on June 1, 2023 and expires on June 1, 2026. The reimbursement agreement for Issue B, Sub-Issues B-1 and B-2 for \$350.0 million was amended on March 12, 2020 and expires on December 22, 2025. These letters of credit are for the temporary cash shortages in the capital improvement bond funds and capital improvement funds for HART. Note 12 discusses the HART executed Memorandum of Understanding (MOU) with the City related to the Commercial Paper Notes. As of June 30, 2023, the City has \$17.0 million outstanding obligation balance on Commercial Paper Notes.

Revenue Bonds

The BWS had pledged future water revenues, net of specified operating and maintenance expenses, for the security and payment of the water system revenue bonds outstanding. The BWS issued water system revenue bonds during fiscal years 2012 through 2022 in the original amount of \$583.0 million less discounts of \$458.2 thousand and adjusted for premiums of \$31.3 million that are being amortized over the related term of the bonds. Water system revenue bonds are subject to redemption on and after specified dates prior to maturity at the option of the BWS. The redemption amount equals the outstanding principal amount plus accrued interest without premium on the date of redemption. The bonds mature serially through fiscal year 2052 and bear interest rates of 0.4% to 5.0%. The revenue bonds are collateralized by net revenue of the BWS.

The BWS issues long-term bonds to finance part of its capital improvement program. Their debt to equity ratio has remained fairly constant at 40.7% for fiscal year 2023. The BWS is required under its bond indenture, among other things, to fix, charge, and collect such rates and other charges in each fiscal year to meet the net revenue requirement for such fiscal year. The net revenue requirement is the greater of the sum of the aggregate debt service and all deposits required by bond resolution to be made, or 1.2 times the aggregate debt service. In fiscal year 2023 the net revenue requirements were met.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

On March 23, 2023, BWS issued Series 2023 for \$17.4 million. The bonds mature annually on July 1, 2034 through 2052 and bear an interest rate 5.0%. For the bonds maturing on and after July 1, 2034 through 2052 BWS may exercise its option of redemption on or after July 1, 2033 in whole or in part, at any time, in any order of maturity selected by BWS, and by lot within maturity, at the principal amount thereof, plus interest accrued to the date fixed for redemption thereof, without premium. The proceeds of the bonds were used to fund various current capital project.

The BWS outstanding revenue bonds contain a provision that in the event of a default the holders of not less than 25% of the bonds may declare the principal and interest due immediately. An event of default includes, but is not limited to the following situations: failure to pay principal and interest due, failure to punctually perform any of the covenants, agreements or conditions of the resolution, and bankruptcy. The BWS has covenanted and agreed to maintain the water system in good repair, to fix rates and charges sufficient to meet the net revenue requirement, not to dispose of the properties comprising the water system, to maintain and keep proper books, and other actions consistent with conducting the business of the water system in an efficient and economical manner.

Wastewater system revenue bonds in the City's business-type activities were issued during fiscal years 2012 through 2023, in the original amount totaling \$2.62 billion which include direct purchase tax exempt of \$252.5 million, less discounts of \$3.8 million and adjusted for premiums of \$261.5 million, which are being amortized over the related term of the bonds. The bonds bear interest at 0.30% to 5.3%, and mature at various dates through fiscal year 2053.

The Wastewater System revenue bonds issued are limited special obligations of the City. The net revenues and all funds and accounts established other than the rebate account, the subordinate obligation account and the reimbursable obligation account and in certain instances, the common reserve account or separate series reserve accounts has been pledged as security for the payment of debt service on the Bonds. In an event of default, the revenue bonds contains a provision that the holders of not less than 25% in principal amount of the bonds then outstanding may declare that all the principal and accrued interest to be due and payable immediately. An event of default includes but it is not limited to the following situations, failure to pay principal, redemption price and interest due, failure to punctually perform or observe any of the covenants, agreements or conditions and files a petition in bankruptcy. The City has covenanted and agreed to maintain the wastewater system in good repair, to fix rates and charges sufficient to meet the Net Revenue Requirement, not to dispose of the properties comprising the wastewater system, to maintain and keep proper books, and other actions consistent with conducting the business of the wastewater system in an efficient and economical manner.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Lease Obligations

The City leases land, buildings and equipment to augment its daily operations. The lease agreements require monthly payments and have various termination dates through fiscal year 2052. Lease obligations are measured at discount rate ranges from 4.4% to 4.9% and are based on the City's estimated incremental borrowing rate unless the discount rate is known.

Subscription-Based Information Technology Arrangements

The City has agreements conveying the right-to-use several information technology systems and software that services the City's operations and public. These subscriptions under contract terms extend through the fiscal year 2028. Subscription obligations are measured at a discount rate at 4.9% and are based on the City's estimated incremental borrowing rate unless the discount rate is known.

Annual debt service requirements to maturity for general obligation bonds, revenue bonds, lease, and subscription obligations at June 30, 2023 including interest of \$2.6 billion were as follows (amounts in thousands):

Governmental Activities:

Year Ending June 30:	Governmental Activities

Notes Payable

The primary government notes payable to state government are mainly for the construction of necessary treatment works and for other projects intended for wastewater reclamation or waste management. The majority of the notes are state revolving fund loans from the State of Hawaii, Department of Health (DOH). They are collateralized by the City's wastewater net revenue. The outstanding loans contain a provision that in the event of default, the Director of the DOH shall be entitled to collect a rate of twelve per cent (12%) simple interest per year commencing on the first day the repayment due date and ending on the date of the check or warrant issued by the City. A default is deemed to exist if repayment of loan fees or current loans are not paid when due, if the City fails to fulfill its obligation or it becomes financially insolvent. The City covenanted that it shall exercise its revenue bonds, revenue, assessment and other authority as needed to the extent allowed by law, to pay the semiannual repayments and loan fees. The notes amounted to \$346.7 million at June 30, 2023, bear interest at 0.8% to 4.0%, and require annual principal and interest payments through fiscal year 2042.

The BWS notes payable to the DOH are state revolving fund loans. They are collateralized by net water revenue. The BWS outstanding state revolving loans contain a provision that in the event of default the outstanding amounts become due immediately with the consent of the majority of the holders of the BWS' revenue bonds. An event of default includes, but is not limited to, the following situations: failure to pay the principal and interest due, failure to punctually perform any of the covenants, agreements or conditions of the resolution, and bankruptcy. The BWS has covenanted and agreed to maintain the water system in good repair, to fix rates and charges sufficient to meet the Net Revenue Requirement, not to dispose of the properties comprising the water system, to maintain and keep proper books, and other actions consistent with conducting the business of the water system in an efficient and economical manner. The notes amounted to \$138.3 million at June 30, 2023, bear interest at 0.3% to 5.0% and require annual principal and interest payments through fiscal year 2043.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Annual debt service requirements to maturity for the City’s primary government and component units for notes payable from direct borrowings at June 30, 2023 including interest of \$46.1 million were as follows (amounts in thousands):

Year Ending June 30:	Primary Government		BWS	
	Interest	Principal	Interest	Principal
2024	\$ 3,593	\$ 31,928	\$ 1,936	\$ 8,463
2025	3,298	32,132	1,822	8,552
2026	3,001	32,338	1,699	8,502
2027	2,706	30,012	1,582	8,555
2028	2,435	22,507	1,464	8,648
2029-2033	8,920	96,959	5,514	44,680
2034-2038	4,403	65,463	2,550	36,846
2039-2043	796	35,393	418	14,027
Total	\$ 29,152	\$ 346,732	\$ 16,985	\$ 138,273

Compensated Absences

Primarily the City’s general and highway funds will liquidate the compensated absences liability attributable to the governmental activities.

Refunded Bonds

The City and the Board of Water Supply defeased certain general obligation and revenue bonds by placing the proceeds of new bonds in irrevocable trusts to provide for all future debt service payments on the old bonds. Accordingly, the assets of the irrevocable trusts and the liability for the defeased bonds are not included in the City’s basic financial statements. At June 30, 2023, \$253.4 million of the City’s and \$84.6 million of the Board of Water Supply’s bonds outstanding were considered defeased.

Special Purpose Revenue Bonds

The City is authorized pursuant to the Sections 46-15.1 and 46-15.2 and Chapter 49 of the Hawaii Revised Statutes to issue revenue bond obligations to provide financing for multifamily rental housing facilities. The proceeds from the bond issued will be loaned to certain organizations for projects related to multifamily rental housing. This bond is not a general obligation of the City and nor responsible for debt service payments for the bonds. Therefore, the City has not included this bond in its basic financial statements. The bond outstanding at June 30, 2023 amounted to approximately \$100.5 million.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

9. Net Position

At June 30, 2023, net position of the primary government consisted of the following (amounts in thousands):

	Governmental Activities	Business-Type Activities
Net Investment in Capital Assets:		
Property, plant and equipment, net	\$ 3,328,966	\$ 10,350,862
Add (Less):		
General obligation bonds payable, net	(3,942,918)	(556,932)
General obligation bonds advanced to component unit *	1,133,501	(1,133,501)
Revenue bonds payable, net	-	(2,303,329)
Notes payable and other long-term liabilities	(48,664)	(453,977)
Prepayments on advance to component unit **	-	125,843
Deferred loss on refunding	53,780	91,963
Debt related to unspent debt proceeds	181,814	105,802
Total net investment in capital assets	706,479	6,226,731
Restricted for Debt Service	1,150,149	119,482
Unrestricted	(3,834,918)	1,672,322
Total net position	\$ (1,978,290)	\$ 8,018,535

* General obligation bond proceeds were advanced to HART, a business-type activity blended component unit, to be invested in capital assets.

** Prepayments from HART for general obligation bond principal payments not yet due. Repayments are restricted for debt service in the governmental activities.

10. Employee Benefit Pension Plans

Defined Benefit Pension Plan – City and County of Honolulu, Board of Water Supply (BWS) and Honolulu Authority for Rapid Transit (HART) – General Information

Plan Description – Substantially all eligible employees of the City and component units BWS (discrete) and HART (blended) are members of the Employees' Retirement System of the State of Hawaii (ERS), a cost-sharing multiple-employer defined benefit pension plan administered through a trust. Employer and non-employer entity contributions to the plan and earnings on the plan are irrevocable, plan assets are dedicated to providing pensions to plan members in accordance with benefit terms and the pension plan assets are legally protected from creditors of employer and non-employer contributing entities as well as from plan members. The ERS provides retirement benefits as well as death and disability benefits and is governed by a Board of Trustees. All contributions, benefits and eligibility requirements are established by HRS Chapter 88, and can be amended by legislative action. The ERS is comprised of three pension classes for membership

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

purposes and considered to be a single plan for accounting purposes since all assets of the ERS may legally be used to pay the benefits of any of the ERS members or beneficiaries. The three membership classes are known as the contributory, the noncontributory and the hybrid retirement classes. Prior to July 1, 1984, the plan consisted of only a contributory class. In 1984, legislation was enacted to create a new noncontributory class for members of the ERS who are also covered under social security. Persons employed in positions not covered by social security were precluded from the noncontributory class. The noncontributory class provides for reduced benefits and covers most eligible employees hired starting July 1, 1984. Employees hired before that date were allowed to continue under the contributory class or to elect the new noncontributory class and receive a refund of employee contributions. In 2004, legislation was enacted to create a hybrid retirement class, which took effect July 1, 2006. Employees in the contributory and noncontributory class were given the option to join the hybrid class or to remain in their existing class effective July 1, 2006. Starting July 1, 2006, all new employees covered by social security are required to join the hybrid class.

Benefits Provided - All benefits vest after five or ten years of credited service. Vesting is determined by the employee's class and date of hire. The monthly retirement allowance benefit formula is calculated based on the employee's age, years of credited service, average final compensation (AFC) and multiplier.

For employees who became members prior to January 1, 1971 the AFC is the average salary earned during the five highest paid years of service, including the vacation payment or the average salary earned during the three highest paid years of service excluding any lump sum vacation payment. For employees who became members on January 1, 1971 through June 30, 2012, the AFC is based on the three highest paid years of service excluding the salary paid in lieu of vacation. For employees who became members after June 30, 2012, the AFC is the highest five years excluding salary paid in lieu of vacation.

Employees covered under the contributory class and hired prior to July 1, 2012, are required to contribute 12.20% for police and fire or 7.80% for general employees of their salary and will receive pensions based on a 2.50% or 2.00% multiplier, respectively. Employees hired after June 30, 2012, are required to contribute 14.20% for police and fire or 9.80% for general employees of their salary with pensions based on a 2.25% or 1.75% multiplier, respectively. General employees covered under the hybrid class prior to July 1, 2012 are required to contribute 6.00% of their salary and will receive pensions based on a 2% multiplier. General employees hired after June 30, 2012, are required to contribute 8% of their salary with pensions based on a 1.75% multiplier. Employees covered under the noncontributory class will receive pensions based on a 1.25% multiplier.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Contributions - The City is required to contribute the remaining amounts necessary to pay contributory class benefits and all amounts to pay noncontributory class benefits. The funding method used to calculate the total employer contribution requirement is the Entry Age Normal Actuarial Cost Method. Employer rates are set by statute based on the recommendation of the ERS actuary. Since July 1, 2005, employer rates are a fixed percentage of compensation, including the normal cost plus amounts required to pay for the unfunded actuarial accrued liability.

Act 17 (SLH 2017) established new employer contribution rates beginning July 1, 2017 until such time as new statutory changes are implemented. The rates for fiscal years 2018 through 2023 are as follows:

Effective Starting	Police and Fire (% of total payroll)	General Employees (% of total payroll)
July 1, 2017	28.0%	18.0%
July 1, 2018	31.0%	19.0%
July 1, 2019	36.0%	22.0%
July 1, 2020 and thereafter	41.0%	24.0%

Contributions to the ERS pension plan for the City and its' component units for the fiscal year ended June 30, 2023 were as follows (amounts in thousands):

	Primary Government	Component Units
Pension Contributions	\$ 269,336	\$ 11,377

The ERS issues an Annual Comprehensive Financial Report that may be obtained by writing to the Employees' Retirement System of the State of Hawaii, 201 Merchant Street, Suite 1400, Honolulu, Hawaii 96813 or online at ERS's website <http://ers.ehawaii.gov/resources/financials>.

Defined Benefit Pension Plans – Oahu Transit Services, Inc. (OTS) – General Information

Plan Description (Non-Bargaining Unit Employees) – OTS has a noncontributory, single-employer defined benefit pension plan, which provides eligible non-bargaining unit employees with retirement and disability benefits. Benefit terms, eligibility, and contribution requirements are established by OTS, the Plan Administrator.

Benefits Provided - Employees are eligible to retire at age 62. Benefits for employees are calculated as the greater of the employee's earned benefits as of February 29, 2004 or 2.25% of the average monthly pay for the 36 consecutive month period during employment which produces the highest amount multiplied by the employee's credited service. If an employee continues to work beyond the normal retirement date, benefits are calculated as the greater of the employee's

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

accrued pension benefit as of the normal retirement date actuarially increased to the late retirement date or the employee's accrued benefit as of the late retirement date. Employees with 15 years of service are eligible to retire at age 55. Early retirement benefits equal a percentage of the employee's normal retirement benefits determined as of the early retirement date. The percentage is based on the number of years the employee retires prior to the normal retirement date.

Contributions - OTS is required to contribute all amounts necessary to pay plan benefits when due and is not subject to legislative funding requirements. OTS's general funding policy is to make annual contributions to the plan, such that all employee benefits will be fully funded by the time they retire.

Annual contributions, determined as a percentage of covered payroll is approximately 65.2%. Contributions to the plan were \$6.3 million for the fiscal year ended June 30, 2023.

The Plan issues a financial report that may be obtained by writing to OTS, Inc., 811 Middle Street, Honolulu, Hawaii 96819.

Plan Description (Bargaining Unit Employees) – OTS participates in the Western Conference of Teamsters Pension Plan (WCT Plan), a noncontributory cost sharing multiple-employer defined benefit pension plan for its bargaining unit employees. The WCT Plan is not a state or local government pension plan, provides benefits to both employees of state or local government employers and to employees of employers that are not state or local governments, and has no predominant state or local government employer therefore GASB 78, and not GASB 68, applies to the WCT Plan.

The WCT Plan is administered by Trust Administrative Offices and provides pensions to all bargaining employees. Pension benefits are established and may be amended pursuant to the WCT Plan. OTS contributes to the plan in accordance with the Union collective bargaining agreement. The current collective bargaining agreement requiring contributions to the WCT Plan expires June 30, 2025 for bus operations and March 31, 2030 for paratransit operations. Under the terms of the agreement, OTS is not required to make minimum contributions for future periods and can withdraw from the plan subject to payment of a withdrawal penalty. It is unlikely that OTS will withdraw from the WCT Plan and therefore a liability for a withdrawal penalty has not been accrued.

Pension expense was approximately \$21.3 million for the fiscal year ended June 30, 2023. The payable to the pension plan was \$2.0 million as of June 30, 2023. The WCT Plan issues a publicly available financial report that may be obtained by writing to Western Conference of Teamsters Pension Trust Fund Board of Trustees, 2323 Eastlake Avenue East, Seattle, Washington 98102-3305.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Pension Liabilities, Pension Expense, and Deferred Outflows and Deferred Inflows of Resources Related to Pensions – At June 30, 2023 the City reported net pension liability as shown below (amounts in thousands):

	Primary Government	Component Units
Net Pension Liability	\$ 2,408,410	\$ 131,871

The net pension liability for the City and discretely presented component unit BWS, was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. Each employer’s proportion of the net pension liability was based on a projection of their long-term share of contributions to the pension plan relative to the projected contributions of all participating members of ERS, actuarially determined.

There were no changes in other assumptions and input that affected the measurement of the total pension liability since the prior measurement date. There were no changes between the measurement date, June 30, 2022, and the reporting date, June 30, 2023, that are expected to have a significant effect on the proportionate share of the net pension liability. At June 30, 2022, the City, BWS and HART (primary government) proportions were as shown below:

	Primary Government	Component Units
Proportionate Share of Pension Liability	18.57%	0.93%
Increase/(decrease) in Proportionate Share from June 30, 2021	(0.20%) *	0.06%

* Increase/(decrease) in proportionate share is being calculated inclusive of HART for current and prior year.

The net pension liability for the OTS single-employer pension plan was measured as of March 1, 2023 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. There were no changes in assumptions or other inputs impacting the measurement of total pension liability since the prior measurement date.

For the fiscal year ended June 30, 2023, the City recognized pension expense as follows (amounts in thousands):

	Primary Government	Component Units
Pension Expense	\$ 203,365	\$ 14,640

At June 30, 2023, the City reported deferred outflows and inflow of resources related to pensions as follows from the following sources (amounts in thousands):

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

	Primary Government		Component Units	
	Deferred Outflows	Deferred Inflows	Deferred Outflows	Deferred Inflows
Differences between expected and actual experience	\$ 57,163	\$ (114,137)	\$ 3,967	\$ (1,807)
Net difference between projected and actual earnings on pension plan investments *	-	(129,020)	2,140	(5,244)
Changes of assumptions	10,155	(13,924)	1,989	(4,641)
Changes in proportion and difference between contributions and proportionate share of contributions	77,387	(32,351)	9,942	(3,534)
Contributions subsequent to the measurement date	223,482	-	13,596	-
	\$ 368,187	\$ (289,432)	\$ 31,634	\$ (15,226)

* The components units include discretely presented component units BWS and OTS. The net difference between projected and actual earnings on pension plan investments is a deferred outflow for OTS and a deferred inflow for OTS.

Amounts reported as deferred outflows of resources related to pension resulting from contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the subsequent fiscal year period as follows (amounts in thousands):

	Primary Government	Component Units
Subsequent Contributions	\$ 223,482	\$ 13,596

Other amounts reported as deferred outflows and inflows of resources related to pension will be recognized in pension expense as follows (amounts in thousands):

	Primary Government	Component Units
Year Ending June 30:		
2024	\$ (21,709)	\$ 576
2025	(52,480)	479
2026	(101,926)	(1,292)

	\$ (144,727)	\$ 2,812

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Actuarial Assumptions –

Hawaii Employees’ Retirement System – The actuarial assumptions used in the June 30, 2022 valuation were based on the results of the 2021 5-year Actuarial Experience Study. The ERS updates their experience study every five years.

The total pension liability in the June 30, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.50%
Projected salary increases, including inflation	3.75% to 6.75%
Investment rate of return, including inflation	7.00%

The same rates were applied to all periods. There were no changes to ad hoc postemployment benefits including COLA. Post-retirement mortality rates are projected on a fully generational basis by the long-term rates of scale UMP from the year 2022 and with multiplier and setbacks based on the plan and group experience. Pre-retirement mortality rates are based on multiples of the Pub-2010 employee table based on the occupation of the member.

The long-term expected rate of return on pension plan investments was determined using a “top down approach” of the Client-Constrained Simulation-based Optimization Model (a statistical technique known as “re-sampling with replacement” that directly keys in on specific plan-level risk factors as stipulated by the ERS Board) in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

In 2016 the ERS Board adopted a long-term strategic allocation policy which incorporates a risk-based functional allocation framework. The long-term expected rate of return on pension plan investments was determined using this new framework. The target allocation and best estimate of expected long-term geometric average return as of June 30, 2022 for each risk based class are summarized in the following table:

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Strategic Allocation (Risk Based Classes)	Target Allocation	Expected Long-Term Geometric Average Return*
Broad Growth		
Private Equity	13.50%	11.00%
Global Equity	20.00%	8.50%
Low Volatility Equity	4.00%	7.80%
Global Options	4.00%	6.40%
Credit	6.00%	7.70%
Core Real Estate	6.00%	6.40%

Long Treasuries	5.00%	3.80%
Intermediate Government	4.00%	3.20%
Systematic Trend Following	10.00%	6.20%
Total Diversifying Strategies	37.00%	
	100.00%	

*Uses an expected inflation of 2.5%

Discount Rate - The discount rate used to measure the total pension liability was 7.00%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the proportionate share of the ERS net pension liability to changes in the discount rate - The following presents the proportionate share of the net pension liability for the City, HART as blended (primary government) component unit and BWS as a component unit, calculated using the discount rate of 7.00%, as well as what the proportionate share of the net pension liability would be if it were calculated using a single discount rate that is one-percentage point

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

lower or one-percentage-point higher than the current rates (amounts in thousands):

	Net Pension Liability		
	1% Decrease	Discount Rate	1% Increase
	6.00%	7.00%	8.00%
Primary Government	\$ 3,346,480	\$ 2,408,410	\$ 1,631,867
Component Units (BWS)	\$ 162,353	\$ 121,159	\$ 87,059

Pension plan fiduciary net position – The pension plan’s fiduciary net position is determined on the same basis used by the pension plan. The ERS financial statements are prepared using the accrual basis of accounting under which expenses are recorded when the liability is incurred, and revenues are recorded in the accounting period in which they are earned and become measurable. Employer and member contributions are recognized in the period in which the contributions are due. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan. Investment purchases and sales are recorded as of their trade date. Administrative expenses are financed exclusively with investment income. There were no significant changes after the June 30, 2022 measurement date.

Detailed information about the pension plan’s fiduciary net position is available in the separately issued ERS financial report. ERS’s complete financial statement are available at <http://ers.ehawaii.gov/resources/financials>.

Actuarial Assumptions

OTS Single Employer Pension Plan - The total pension liability in the March 1, 2023 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.00%
Salary Increases	3.00%
Investment rate of return	6.50%

Mortality rates are based on the RPEC2014 v2021 fully generational mortality model for Non-Annuitant and Annuitant Males and Females, as appropriate, with adjustments for mortality improvements based on the Mortality Projection Scale MP-2021.

The long-term expected rate of return on pension plan investments was determined based on long-term historical rates and an assumed inflationary rate of 3.0%. The projected benefit payment period for which the long-term expected rate of return is applied to determine the discount rate is 2023 to 2073. Additionally, best estimates ranges of expected future real rates of return (expected returns, net of pension plan

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

investment expense and inflation) are arithmetically developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Equity	60.00%	7.50%
Fixed Income	40.00%	1.75%
	100.00%	

Discount Rate – The discount rate used to measure the total net pension liability was 6.50%. The projection of cash flows used to determine the discount rate assumed that contributions from OTS will be made at the required dates. Based on this assumption, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive plan members. There was a change in the discount rate since the prior measurement date.

Sensitivity of the net pension liability to changes in the discount rate - The following presents the net pension liability for the City’s component unit, OTS, calculated using the single discount rate of 6.50%, as well as what the net pension liability would be if it were calculated using a single discount rate that is one-percentage point lower or one-percentage-point higher than the current rates (amounts in thousands):

	Net Pension Liability		
	1% Decrease 5.50%	Discount Rate 6.50%	1% Increase 7.50%
	Component Unit (OTS)	\$ 13,978	\$ 10,712

Pension plan fiduciary net position - Detailed information about the OTS pension plan’s fiduciary net position is available in the separately issued OTS pension plan financial report.

Payables to the Pension Plans – As of June 30, 2023 the City reported payables to the pension plan as follows (amounts in thousands):

	Primary Government	Component Units
Pension Payable	\$ 67,133	\$ 2,520

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

11. Postemployment Benefits Other Than Pensions (OPEB)
General Information

Plan Description - City and County of Honolulu, Blended Component Unit Honolulu Authority for Rapid Transportation (HART) and Discretely Presented Component Unit Board of Water Supply (BWS) – Chapter 87A, Hawaii Revised Statutes (HRS) established the Hawaii Employer-Union Health Benefits Trust Fund (the Trust Fund) to design, provide, and administer health and other benefit plans under a single delivery system for the employees, retirees and their eligible dependents of the State of Hawaii (the State) and the counties of Honolulu, Hawaii, Maui and Kauai beginning July 1, 2003. Chapter 87, HRS that established the Hawaii Public Employees Health Fund was repealed, and its net assets were transferred to the Trust Fund.

The Trust Fund is administered by a Board of Trustees (the Board) composed of ten trustees appointed by the Governor of the State. The Board is responsible for determining the nature and scope of benefit plans offered by the Trust Fund, negotiating and entering into contracts with insurance carriers, establishing eligibility and management policies for the Trust Fund, and overseeing all Trust Fund activities. The Board relies on professional services provided by a salaried Administrator, the State Department of Attorney General, a benefits consultant, and an investment consultant.

Chapter 87A, HRS was amended on July 9, 2012 to allow the Board to establish a separate trust for the purpose of receiving employer contributions that will prefund other post-employment benefits (OPEB) for retirees and their beneficiaries. Pursuant to this amendment, the Board executed an irrevocable declaration of trust establishing the Hawaii Employer-Union Health Benefits Trust Fund for Other Post-Employment Benefits (the OPEB Trust) effective June 30, 2013. The OPEB Trust is governed by the Trust Fund's Board. Contributions to the plan and earnings on the plan are irrevocable, plan assets are dedicated to providing health and other benefits to retirees and plan assets are legally protected from creditors. The OPEB Trust financial statements are included as part of the Trust Fund's basic financial statements, collectively referred to as the EUTF.

The EUTF, an agent multiple-employer defined benefit OPEB plan, is administratively attached to the State Department of Budget and Finance.

The EUTF issues a standalone financial report that is publicly available at <https://eutf.hawaii.gov>. Questions concerning any of the information contained therein or requests for any additional financial information related to that report should be addressed to EUTF, P.O. Box 2121, Honolulu, Hawaii 96805-2121.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Plan Description – Oahu Transit Services, Inc. (OTS) - The City's other component unit OTS maintains two separate defined benefit OPEB plans to provide OPEB for eligible bargaining and non-bargaining employees of OTS.

The bargaining employee OPEB plan is a single-employer defined benefit OPEB plan administered by the Hawaii Teamsters Health & Welfare Plan. This union single employer defined benefit healthcare plan issues a publicly available financial report that includes financial statements and required supplementary information. A copy of the report may be obtained by writing to the Hawaii Teamsters Health & Welfare Plan Board of Trustees, 1817 Hart Street, Honolulu, HI 96819.

The non-bargaining OPEB plan is a single-employer defined benefit OPEB plan administered by OTS through a trust. Contributions to the plan and earnings on the plan are irrevocable, plan assets are dedicated to providing health and other benefits to retirees and plan assets are legally protected from creditors. This plan does not issue a separate financial report.

Benefits Provided – City, HART and BWS – The EUTF currently provides medical, prescription drug, dental, vision, chiropractic, supplemental medical and prescription drug, and group life insurance benefits. The medical plans include a statewide preferred provider organization (PPO) benefit plan and a federally-qualified health maintenance organization (HMO) plan.

The employers' share of benefit plan contributions for collectively bargained employees is negotiated by the State and counties with the exclusive representative of each bargaining unit. Employer contributions for retirees are prescribed by the HRS. Any remaining premium balance is paid by employees through payroll deductions or premium conversion plan reductions and paid by retirees directly, if applicable.

The employers' contributions also include the employees' share made through payroll deductions, contributions for retired employees, and Medicare Part B reimbursements made by the Trust Fund to eligible retired employees and their spouses for Medicare Part B insurance premiums.

For employees hired before July 1, 1996, the State and counties pay the entire base monthly contribution for employees retiring with ten or more years of credited service, and 50.0% of the base monthly contribution for employees retiring with fewer than ten years of credited service. A retiree can elect a family plan to cover dependents. The contribution by the State and counties is based on the plan (single, two-party or family) selected by the retiree.

For employees hired after June 30, 1996 but before July 1, 2001, and who retire with fewer than ten years of service, the State and counties make no contributions.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

For those retiring with at least ten years but fewer than 15 years of service, the State and counties pay 50.0% of the base monthly contribution. For employees retiring with at least 15 years but fewer than 25 years of service, the State and counties pay 75.0% of the base monthly contribution. For employees retiring with at least 25 years of service, the State and counties pay the entire base monthly contribution. Retirees in this category can elect a family plan to cover dependents. The contribution by the State and counties is based on the plan (single, two-party or family) selected by the retiree.

For employees hired on or after July 1, 2001, and who retire with less than ten years of service, the State and counties make no contribution. For those retiring with at least ten years of service but fewer than 15 years of service, the State and counties pay 50.0% of the base monthly contribution. For those retiring with at least 15 years but fewer than 25 years of service, the State and counties pay 75.0% of the base monthly contribution. For those retiring with at least 25 years of service, the State and counties pay the entire base monthly contribution. Only the single plan coverage is provided for retirees in this category. The contribution by the State and counties is based on the base monthly contribution for the single plan. Retirees can elect family coverage but must pay the difference.

Benefits Provided – OTS - The OPEB plans provide medical and vision benefits for retirees and their dependents. The non-bargaining plan also provides dental benefits for retirees. Benefits are provided through a third-party insurer with the plan covering the full cost of the benefits.

Employees Covered by Benefit Terms - The following number of employees were covered by the benefit terms:

	Primary Government	Component Units
Inactive plan members or beneficiaries currently receiving benefits	7,951	1,157
Inactive plan members entitled to but not yet receiving benefits	797	49
Active plan members	8,490	2,461
Total	<u>17,238</u>	<u>3,667</u>

Contributions – City, HART and BWS - Act 268, SLH 2013 required EUTF to establish and administer separate trust accounts for each public employer for the purpose of receiving irrevocable contributions to prefund postemployment health care and other benefit costs for retirees and their beneficiaries. It established the Hawaii EUTF Trust Fund Task Force to examine further steps to address the unfunded liability and requires all public employers to make their annual required contributions (now known as actuarially determined contributions) effective with fiscal year 2014.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

The OPEB contributions (comprised of pay-as-you-go retiree costs and prefunding amounts paid to EUTF) are established by Hawaii State statutes and are equal to the amount of the annual required contribution as determined by an actuary. The retiree is responsible to pay the difference if the single plan base monthly contribution is less than the cost of the monthly premium for those employees hired on or after July 1, 2001. In any fiscal year, should the contribution be less than the actuarially determined amount, the difference shall be transferred to the OPEB trust account from the employer’s portion of other revenues held by the State.

On October 13, 2020, the Governor of the State of Hawaii issued the Fourteenth Supplementary Proclamation to suspend specific provisions of the law. Including in the proclamation were Sections 87A-42(b) – (f), HRS, other postemployment benefits trust, 87A-43, HRS, payment of public employer contributions to the other postemployment benefit trust, and 237-31(3), HRS, remittances, related to the requirement for public employers to pay the annual required contribution to the EUTF during fiscal year 2021. This relief provision was extended to fiscal year 2022 and 2023 by Act 229, SLH 2021. The City did not utilize this relief provision in fiscal year 2021, 2022 or 2023.

OPEB contributions were as follows for the fiscal year ended June 30, 2023 (amounts in thousands):

	Primary Government	Component Unit (BWS)
OPEB Contributions	\$ 188,883	\$ 8,180

Contributions – OTS - In accordance with the collective bargaining agreement, OTS makes required contributions to the bargaining unit plan as follows:

Division	Period	Fixed Rate per Straight-Time Hour
Bus Operations	July 1, 2022 to June 30, 2023	\$1.28
	July 1, 2023 to June 30, 2025	1.38
Paratransit Operations	April 1, 2021 to March 31, 2030	1.18

The non-bargaining OPEB plan’s contribution is based on projected “pay as you go” financing requirements. OTS contributions for the year ended June 30, 2023 amounted to approximately \$4.5 million.

Net OPEB Liability

The actuarial valuation and measurement dates for the net OPEB liability were July 1, 2022 for the City and BWS, and June 30, 2023 for OTS. The total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of those dates.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

For the fiscal year ended June 30, 2023, the following amounts (in thousands) were reported as net OPEB liability:

	Primary Government	Component Units
Net OPEB Liability	\$ 1,246,950	\$ 166,624

Actuarial assumptions and methods – City, HART and BWS - The total OPEB liability reflected in the actuarial valuation report as of July 1, 2022 was determined using the following actuarial assumptions and methods, applied to all periods included in the measurement, unless otherwise specified:

Assumptions and Methods:

Actuarial Cost Method	Entry Age Normal
Discount Rate	7.0%
Inflation	2.5%
Salary Increases	3.75% to 6.75% including inflation
Demographic Assumptions	Based on the 2022 Hawaii ERS Actuarial Experience Study, as conducted June 30, 2021 for the Hawaii Employees' Retirement System (ERS)
Mortality	System-specific mortality tables utilizing ultimate scale MP2021 to project generational mortality improvement
Participation Rates	98.0% healthcare participation assumption for retirees who receive 100.0% of the Base Monthly Contribution (BMC). Healthcare participation rates of 25.0%, 65.0%, and 90.0% for retirees who receive 0.0%, 50.0%, or 75.0% of the BMC, respectively. 100.0% for Life Insurance and 98.0% for Medicare Part B.
Healthcare Cost Trend Rates	
PPO*	Initial rate of 6.4%, declining to a rate of 4.3% after 22 years
HMO**	Initial rate of 6.4%, declining to a rate of 4.3% after 22 years
Part B and BMC	Initial rate of 5.0%, declining to a rate of 4.3% after 22 years
Dental	4.0%
Vision	2.5%
Life Insurance	0.0%

* Blended rates for medical and prescription drug

** Includes prescription drug assumptions.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Actuarial assumptions – OTS – The OPEB liability was measured as of June 30, 2023, and the total OPEB liability was determined by an actuarial valuation as of that date, using the following actuarial assumptions, applied to all periods included in the measurement:

Assumptions:

Discount Rate	4.1%
Inflation	3.0%
Salary Increases	3.0%
Mortality	Based on the PubG.H-2010 fully generational mortality, 50.0% male, and projected with Scale MP-2021.

Discount rate – City, HART and BWS - A single discount rate of 7.0% was used to measure the total OPEB liability. This single discount rate was based on the expected rate of return on OPEB plan investments of 7.0%. Beginning with the fiscal year 2019 contribution, the funding policy of the City is to pay the recommended actuarially determined contribution, which is based on layered, closed amortization periods. In July 2020, the Governor of the State of Hawaii issued the Tenth Supplemental Proclamation related to the COVID-19 emergency, allowing employers of the EUTF to suspend Act 268 contributions for the fiscal year ended June 30, 2021 and instead limit their contribution amounts to the OPEB benefits due. This relief provision was extended to fiscal years 2022 and 2023 by Act 229, SLH 2021. The OPEB plan’s fiduciary net position is still expected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

Long-term expected rate of return – City, HART and BWS - The long-term expected rate of return on EUTF’s investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of the EUTF’s investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Private Equity	12.5%	11.7%
U.S. Microcap	6.0%	8.3%
Global Equity	27.5%	6.6%
Global Options	5.0%	4.5%
Real Assets	10.0%	6.6%
Private Credit	8.0%	6.4%
TIPS	5.0%	1.4%
Long Treasuries	6.0%	2.3%
Reinsurance	5.0%	4.8%
Alternative Risk Premia	5.0%	3.7%
Trend Following	10.0%	4.5%
Total	100.0%	

Discount rate – OTS – A discount rate of 4.1% was used to measure the total OPEB liability. The projection of cash flows used to determine the discount rate assumed that contributions from OTS will be made at the required rates. Based on this assumption, the bargaining plan’s and non-bargaining plan’s fiduciary net positions were projected to not be available to make any projected future benefit payments of current active and inactive employees. The discount rate and municipal bond rate (based on the daily rate closest to but not later than the measurement date of the S&P “Municipal Bond 20 Year High Grade Rate”) at the prior measurement date of June 30, 2022 was 4.1%.

Changes in Net OPEB Liability - The following table presents the fiscal year 2023 changes in net OPEB liability (amounts in thousands) with measurement dates for the net OPEB liability of July 1, 2022 for the City and BWS, and June 30, 2023 for OTS:

CITY AND COUNTY OF HONOLULU

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Sensitivity of net OPEB liability to changes in the single discount rate –

The net OPEB liability was calculated using the single discount rates of 7.0% for the City and BWS, and 4.1% for OTS. In addition, the plans' net OPEB liability was calculated using a single discount rate that is one percent lower (specifically, 6.0% for the City and BWS, and 3.1% for OTS) or one percent higher than the current rate (that is, 8.0% for the City and BWS, and 5.1% for OTS) as shown below (amounts in thousands):

	Net OPEB Liability		
	Current Discount		
	1.0% Decrease	Rate Assumption	1.0% Increase
Primary Government	\$ 1,601,215	\$ 1,246,950	\$ 966,697
Component Units	209,397	166,624	132,330

Sensitivity of the net OPEB liability to changes in the healthcare cost trend rates - The following table presents the plans' net OPEB liability calculated using the assumed healthcare cost trend rate as well as what the plans' net OPEB liability would be if it were calculated using the trend rate that is one percent lower or one percent higher than the current healthcare cost trend rate (amounts in thousands):

	Net OPEB Liability		
	Current Healthcare Cost Trend		
	1.0% Decrease	Rate Assumption	1.0% Increase
Primary Government	\$ 955,616	\$ 1,246,950	\$ 1,618,862
Component Units	130,092	166,624	212,816

OPEB Expense, and Deferred Outflows and Deferred Inflows of Resources Related to OPEB – For the fiscal year ended June 30, 2023, OPEB expense was recognized as follows (amounts in thousands):

	Primary Government	Component Units
OPEB Expense	\$ 55,275	\$ 15,511

At June 30, 2023, OPEB-related deferred outflows and deferred inflows of resources from the following sources were reported (amounts in thousands):

	Primary Government		Component Units	
	Deferred Outflows	Deferred Inflows	Deferred Outflows	Deferred Inflows
Difference between expected and actual experience	\$ -	\$ (325,184)	\$ 15,795	\$ (147,751)
Changes in assumptions	9,863	(50,579)	40,352	(82,453)
Net difference between projected and actual earnings on investments	10,962	-	-	(261)
Change in proportionate share between City funds	7,146	(7,146)	-	-
Contributions subsequent to measurement date	188,883	-	8,180	-
Total	<u>\$ 216,854</u>	<u>\$ (382,909)</u>	<u>\$ 64,327</u>	<u>\$ (230,465)</u>

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Amounts reported as deferred outflows of resources related to OPEB resulting from contributions subsequent to the measurement date will be recognized as a reduction of the net OPEB liability in the year ended June 30, 2023 as follows (amounts in thousands):

	Primary Government	Component Units
Subsequent Contributions	\$ 188,883	\$ 8,180

Other amounts reported as deferred outflows and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows (amounts in thousands):

Year Ending June 30:	Primary Government	Component Units
2024	\$ (89,305)	\$ (20,778)
2025	(90,731)	(21,372)
2026	(92,744)	(21,693)
2027	(38,641)	(16,226)
2028	(43,517)	(16,749)
Thereafter	-	(77,500)
Total	\$ (354,938)	\$ (174,318)

Payable to the OPEB Plans – OTS reported a payable of \$3.1 million for the outstanding amount of required contributions to the OPEB plans as of June 30, 2023. The City, HART and BWS did not report a payable to the OPEB plan as of June 30, 2023.

12. Enterprise Funds

Housing Development Special Fund

The City created the Housing Development Special Fund to develop affordable housing for sale or for rental. At June 30, 2023, the City had \$13.7 million of general obligation bonds outstanding, which were used to finance the development of various residential lots and recreational facilities.

Restricted Assets – Certain cash balances held in separate accounts are classified as restricted assets. Restricted cash includes security deposit reserves, insurance reserves and replacement reserves for the rental properties operated by the housing fund. At June 30, 2023 these assets amounted to \$27.2 million. At June 30, 2023, restricted investments include investments held in clearance accounts amounted to \$58,000.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Sewer Fund

The Sewer Fund was created to account for the operations of the City's wastewater system and is operated primarily through user charges. The Sewer Fund also accounts for the proceeds of revenue bonds issued to pay all or part of those appropriations for capital improvement projects, repairs, and maintenance of the wastewater treatment system.

Restricted Assets – Certain investments are classified as restricted assets since their use is limited by certain agreements. Restricted investments include amounts for debt service, unspent bond proceeds reserved for future wastewater construction projects, and investments held in clearance accounts. At June 30, 2023, restricted investments totaled \$46.7 million.

Solid Waste Special Fund

The Solid Waste Special Fund accounts for the following activities related to the operations of the Refuse Division:

- The City's refuse collection and disposal operations, which are funded primarily through General Fund subsidies.
- The recycling program revenues assessed as 12.0% of refuse disposal charges and are expended for the establishment, operation, management and expansion of the City's recycling programs, including programs for waste reduction, development of recycling markets and recycling awareness.
- The glass incentive program revenues derived for the recycling of glass containers and paying incentives to glass recyclers.
- Operation of the solid waste disposal and energy and materials recovery project (H-POWER Facility).

Restricted Assets – Certain investments are classified as restricted assets since their used is limited by certain agreements. Restricted investments include unspent bond proceeds reserved for future solid waste construction projects. At June 30, 2023, these assets amounted to \$75.6 million.

H-POWER Facility

The City executed agreements with Covanta Honolulu Resource Recovery Venture (Covanta) to operate a solid waste disposal and energy recovery project, the Honolulu Program of Waste Energy Recovery (the H-POWER Facility). The H-POWER Facility processes and disposes of solid waste, and together with combustion facilities, produces steam used for the generation of electricity. Revenues are generated from user tip fees and from the sale of energy products and recovered materials. The H-POWER Facility commenced commercial

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

operations on May 21, 1990, and the City has a 20-year contract to sell electricity generated to a utility company through April 30, 2033.

The operating contract with Covanta was amended and restated in December 2009 to extend the term to operate both the original and the expansion facilities for another 20-year period effective August 4, 2012.

As of June 30, 2023, the City had \$359.5 million of general obligation bonds outstanding, which were used to finance the construction and purchase of the H-POWER Facility.

Public Transportation System

The Department of Transportation Services oversees the administration and operation of the Public Transportation System (PTS) on the island of Oahu, which includes the City's bus, paratransit and rail systems.

The City contracted with Oahu Transit Services, Inc. (OTS) to provide for the management of the City's bus and paratransit systems. OTS provides the employees to operate and manage the bus and paratransit systems. The City reimburses OTS for operating expenses. The management fee for the period July 1, 2022 to June 30, 2023 was approximately \$650,000. In July 2010, the agreement between OTS and the City was extended. The extension provides for the City to pay OTS approximately \$117,000 per quarter beginning with the quarter ended September 30, 2010, until a new management and operations agreement is executed.

The contract includes a provision that the City furnish, but retain title to the transit buses, paratransit buses, properties, facilities and equipment used in the systems. Revenues collected by OTS, excluding management fees, are the property of the City and are remitted to a depository account controlled by the City.

Restricted Assets – OTS established trust funds for the purpose of maintaining adequate funds for expenses incurred through its workers' compensation, general, and auto liability self-insurance programs. At June 30, 2023, these assets held by OTS amounted to \$4.4 million. Restricted investments include investments held in clearance accounts. At June 30, 2023, these restricted investments amounted to \$1.4 million.

Reserve for Insurance Claims Payable – The City sponsors an automotive and general liability self-insurance program for OTS. The self-insurance program is for claims up to \$3.0 million effective July 1, 2021. The City also has a workers' compensation self-insurance program, which covers OTS claims up to \$1.0 million per occurrence effective July 1, 2002. OTS has obtained excess insurance coverage for general liability, automotive claims and workers' compensation

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

through various insurance companies for amounts in excess of claims covered under the two self-insurance programs.

Honolulu Authority for Rapid Transportation – Blended Component Unit

Effective July 1, 2011, pursuant to a 2010 amendment to the Revised Charter of the City, the Honolulu Authority for Rapid Transportation (HART) was created to develop, operate, maintain and expand the city fixed guideway system. Effective July 1, 2017, the operations and maintenance of the system were transferred to the PTS pursuant to a City Charter amendment approved by the voters on November 8, 2016. During June 2023, HART transferred \$2.97 billion of capital assets related to the first operating segment of the Honolulu Rail Transit Project (HRTTP) to the PTS and the rail system, called “Skyline”, opened to the public on June 30, 2023.

Debt Financing – In May 2015 as amended in July 2017, HART executed a Memorandum of Understanding (MOU) with the City which details the terms and conditions for the issuance of general obligation bonds, general obligation commercial paper notes or any other form of general obligation indebtedness to be used for the completion of the HRTTP. HART consented to the establishment of a Project Bond Reserve Account (PBRA) in the City’s General Obligation Bond and Interest Redemption Fund. The PBRA shall be equal to the lesser of 50% of the maximum annual debt service on all outstanding project bonds, or 10% of the total outstanding par amount.

Per Section 3.06 of the MOU, as of June 30, 2023, \$89.3 million was deposited into the PBRA and an aggregate total of \$1.01 billion is reported as due to other funds.

Due to the implementation of GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*, during fiscal year 2023, the City reported subscription assets and subscription liabilities of approximately \$2.7 million as of July 1, 2022.

13. Commitments and Encumbrances

Leases (Lessor)

The City entered into variety of agreements to lease certain City properties to non-profits organizations, telecommunications companies, for-profit companies and other organizations. These multi-year agreements with terms ranging from 4 to 65 years through February 2056. At June 30, 2023, the City’s lease receivables of \$24.9 million were reported in the governmental fund balance sheet statements and proprietary statement of net position. For the year ended June 30, 2023, the

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

City's leases revenue and interest revenue were approximately \$709,000 and \$810,000, respectively.

Future minimum lease income under such terms at June 30, 2023 were as follows (amounts in thousands):

Year Ending June 30:

	Governmental Funds		Business-Type Funds		Total	
	Interest	Principal	Interest	Principal	Interest	Principal
2024	\$ 808	\$ 952	\$ 28	\$ 28	\$ 836	\$ 980
2025	769	839	26	31	795	870
2026	733	839	25	35	758	874
2027	696	880	24	38	720	918

Total	\$ 16,553	\$ 24,277	\$ 260	\$ 632	\$ 16,813	\$ 24,909

Service Concession Arrangements

The City grants to others concession rights and real property under concession contracts, which expire at various dates through fiscal year 2028. Certain contracts provide for periodic renegotiation of assessments. The cost, accumulated depreciation and net book value of these concession assets are as follows (amount in thousands):

<u>Asset Class</u>	<u>Cost at Date of Acquisition</u>	<u>Accumulated Depreciation</u>	<u>Net Book Value</u>
Land	\$ 3,957	\$ -	\$ 3,957
Buildings and Improvements	47,067	(43,510)	3,557
Totals	\$ 51,024	\$ (43,510)	\$ 7,514

At June 30, 2023, the City's service concession arrangements receivable of \$2.4 million was reported in the governmental funds balance sheet. For the year ended June 30, 2023, the City's service concession arrangement revenue and interest revenue were approximately \$388,000 and \$95,000, respectively.

--	---------------------

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

14. Contingent Liabilities

The City is exposed to various risks arising out of its diverse activities and operations, resulting in claims and lawsuits against the City for personal injury, property and other damages. The City's Corporation Counsel reported that these cases are set for pretrial conferences, awaiting actions from plaintiffs, being investigated, and ready for trial calendar, or on appeal.

The City is fully self-insured for workers' compensation claims, and uses a combination of self-insurance and commercial insurance for automobile liability and most general liability claims, with certain exceptions. The City purchases excess liability insurance through insurance companies for claims in excess of self-insured amounts as well as primary liability insurance when required by contract or law.

Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities include an amount for claims that have been incurred but not reported. The basis for estimating the liabilities for unpaid claims includes the effects of specific incremental claim adjustment expenses, salvage, and subrogation, and other allocated or unallocated claim adjustment expenses. At June 30, 2023, the estimated total liability of the City for claims and judgments amounted to \$142.1 million, which includes claims incurred but not reported by the claimant and settled claims for which funds have not yet been appropriated. The estimated total liability has been determined through case-by-case analysis and from actuary studies performed by independent third parties. Expenditures for claims and judgments are appropriated annually. In the opinion of management, the City has adequately reserved for such claims.

The following is a summary of changes in the claims and judgments liability account during the fiscal years (amounts in thousands):

	Automobile and General Liability	Workers' Compensation	Total
Balance at July 1, 2021	\$ 41,978	\$ 79,116	\$ 121,094
Add, Incurred losses and loss adjustment expenses	16,092 *	39,790	55,882
Less, Payments	<u>(8,467)</u>	<u>(33,975)</u>	<u>(42,442)</u>
Balance at June 30, 2022	49,603	84,931	134,534
Add, Incurred losses and loss adjustment expenses	13,860 *	42,200	56,060
Less, Payments	<u>(12,648)</u>	<u>(35,807)</u>	<u>(48,455)</u>
Balance at June 30, 2023	<u>\$ 50,815</u>	<u>\$ 91,324</u>	<u>\$ 142,139</u>

*Due to significant decrease in the City unpaid estimates of reserve for losses.

The claims and judgment liability will be liquidated from the City's general fund.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

15. Environmental Issues

Solid Waste Landfill Costs

GASB Statement No. 18, *Accounting for Municipal Solid Waste Landfill Closure and Postclosure Care Costs*, which is based on the October 9, 1991 United States Environmental Protection Agency (EPA) rule, "Solid Waste Disposal Facility Criteria," establishes closure requirements for all municipal solid waste landfills that receive waste after October 9, 1991. The EPA rule also establishes thirty-year postclosure care requirements for those landfills that accept solid waste after October 9, 1993 or for those landfills that stopped accepting solid waste between October 9, 1991 and October 9, 1993 and have not met certain requirements established by the EPA rule. In accordance with GASB Statement No. 18, the City estimates in advance the total cost of closure and postclosure care during the life of those landfills rather than after their closings.

Federal and state laws and regulations require the City to place final covers on certain landfill sites when they stop accepting waste and to perform certain maintenance and monitoring functions at the sites for thirty years after closure. Annual additions to the liability for closure and postclosure care costs are based on landfill capacity used as of each balance sheet date. The \$15.6 million reported as the liability in the Solid Waste Special Fund for closure and postclosure care costs at June 30, 2023 represents the cumulative amount reported to date based on the percentage of the estimated capacity used for the landfills (amounts in thousands). Actual costs may differ from estimates if additional postclosure care requirements are determined (due to inflation or deflation, changes in technology, or changes in applicable laws or regulations).

Schedule of Solid Waste Special Fund Liability

	Capacity Used	Closure Date	Liability at June 30, 2023	Total Estimated Cost
Waipahu incinerator landfill	100.0%	October 1991	\$ 6,925	\$ 27,509
Kapaa sanitary landfill	100.0%	May 1997	8,627	27,746
Total			\$ 15,552	\$ 55,255

The Proprietary Funds Statement of Net Position records the landfill liability as current and noncurrent liabilities. The current portion of \$1.7 million is included in other current liabilities and the noncurrent portion of \$13.9 million is included in estimated liability for landfill closure and postclosure care costs.

For fiscal year 2023, the City has provided the financial resources that will be available to provide for closure, postclosure care and remediation or containment of environmental hazards at the above landfills. The EPA's financial assurance rules include a local government financial test consisting of a financial component, a public notice component, and a recordkeeping component. Local governments

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

are required to satisfy each of the three components to pass the annual test. Management believes the City has satisfied each of the components to meet the financial assurance test.

For the Waimanalo Gulch Landfill, the current operator is responsible for all closure and postclosure care costs through calendar year 2024; the City will be responsible for all closure and postclosure costs after calendar year 2024. At June 30, 2023 the City provided the financial resources that will be available to provide for closure, postclosure, remediation or containment of environmental hazards at the landfill. At June 30, 2023 the estimated capacity used is 78.8% and the estimated remaining life of the landfill is 12.9 years. The total closure and postclosure costs, estimated at \$63.5 million, have not been recognized since the operator is responsible for all closure and postclosure through calendar year 2024.

The City is complying with the terms of a consent decree filed on July 1, 2015, to resolve the claims of the EPA related to the City's violations of the Standards of Performance for New Stationary Sources and the National Emission Standards for Hazardous Air Pollutants regulations at the Kapaa and Kalaheo landfills. The consent decree required the City to pay a civil penalty of \$875,000 which the City paid during fiscal year 2016. In addition to the civil penalty, the consent decree requires the City to implement a supplemental environmental project to build a solar power system at the City's H-POWER facility by 2020 to produce a minimum of 15,056 megawatt hour of energy at estimated costs of, in 2015 dollars, \$16.1 million. Construction of the solar building was completed in fiscal year 2019 while construction of the solar power system was substantially completed in May 2020. The City is required to operate the solar power system for at least 3 years following construction completion.

The City fulfilled the 3 year operation of the solar power system in June 2023 and successfully achieved SEP (Supplemental Environmental Project) completion as defined by the consent decree. The SEP Completion report was submitted in July 2023.

Sewer Fund – Litigation

The WWTPs and other facilities operated by the City are governed by permits issued by the State of Hawaii, Department of Health (DOH), including National Pollutant Discharge Elimination System (NPDES) permits; Underground Injection Control permits; Wastewater Management Permits; and Clean Air Branch Covered Source and Non-Covered Source permits.

The City is contesting certain conditions for the Waianae WWTP NPDES permit in two separate matters. One matter is currently pending before the Intermediate Court of Appeals (ICA) on a procedural issue. The City submitted a renewal application for the Waianae WWTP NPDES permit while that matter remained

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

pending. On October 4, 2022, the DOH published a draft public notice NPDES permit for the Waianae WWTP. The City filed a request for a contested case hearing on November 3, 2022, which was dismissed by the DOH Hearings officer on December 16, 2022. On June 6, 2023, the City filed an appeal of the dismissal of its request for a contested case hearing to the ICA. The Waianae WWTP NPDES permit remains in effect under an administrative extension.

On June 26, 2023, the DOH issued a Notice of Violation and Order (NOVO) for the Kailua Regional Wastewater Treatment Plant.

In addition, during the course of operating the Wastewater System, occasional events of non-compliance with other permits, laws, and regulations occur, including:

- Wastewater spills, which are subject to reporting pursuant to the NPDES permits, the 2010 Consent Decree described below, and DOH regulations.
- Exceedance of interim effluent limits set forth in the 2010 Consent Decree for the Sand Island and Honouliuli WWTPs, which are reported monthly with the discharge monitoring reports for the plants.
- Exceedance of effluent limits set forth in the NPDES permits for the WWTPs, which are reported monthly with the discharge monitoring reports for the plants.
- On August 11, 2020, DOH issued a Notice of Apparent Violation and Request for Information regarding the City's Honouliuli WWTP. The City responded on September 10, 2020.

No other incident of noncompliance is subject to existing or threatened enforcement.

In addition to the pending cases discussed above, on December 17, 2010, and subsequently amended on March 27, 2012, a consent decree was entered among the City, the United States Environmental Protection Agency (USEPA), DOH and several non-governmental organizations to settle certain previous environmental lawsuits relating to the City's wastewater system. The consent decree outlines a program of improvements to the wastewater collection and treatment systems. The consent decree allows 10 years for completion of work on the collection system, 14 years for the upgrade of the Honouliuli WWTP to secondary treatment, and up to 25 years, with the possibility of a three-year extension, for the upgrade of the Sand Island WWTP to secondary treatment.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

By a letter dated January 28, 2021, the EPA and DOH approved the City's Ten Year Report, which closed the collection system portion of the consent decree. The City continued to work on a single remaining project under the collection system portion, which was completed by the agreed-upon extension deadline of May 31, 2022.

The City continues to work on the secondary improvements to the two treatment plants. The Honouliuli WWTP upgrades are under construction and will be completed by June 1, 2024. Improvements to the Sand Island WWTP are on schedule to meet the consent decree deadline of December 31, 2035.

Additionally, the City is currently complying with the terms of an Administrative Order on Consent (AOC) for the Kailua Regional Wastewater Treatment Plant entered into with the EPA on December 14, 2022.

Pending Wastewater System Litigation – The City and the Department of Environmental Services generally are self-insured with respect to general liability claims. In the Fiscal Year June 30, 2023, the Department reached settlements of lawsuits and claims related to the Wastewater System and paid with Judgment, Settlements and Losses general funds of approximately \$37,000.

The City's Corporation Counsel is of the opinion that the expected liability arising out of any pending litigation would not constitute a material impairment of the City's financial position

Asset Retirement Obligation (ARO)

Current laws and regulations require the City to take specific actions when retiring underground storage tanks. The City accounts for certain costs associated with the future removal of underground storage tanks and restoring the area to original conditions in accordance with GAAP. The City has multiple underground storage tanks with capacities ranging from 250 to 15,000 gallons. The State of Hawaii's Department of Health requires the City to take specific steps relating to permanent closure of underground storage tanks. Based on contract estimates, the City's ARO for underground storage tanks was approximately \$36.4 million as of June 30, 2023, with tanks having a remaining useful life ranging from 0 to 21 years.

16. Discretely Presented Component Units

Board of Water Supply

Board of Water Supply (BWS), a semi-autonomous agency of the City, has full and complete authority to manage, control and operate the City's water system and related properties.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Red Hill Bulk Fuel Storage Facility – In late November 2021 the Navy reported a fuel spill at its Red Hill Bulk Fuel Storage Facility (RHBFSF). On December 2, 2021, following the Navy’s determination that its Red Hill shaft water source was contaminated with petroleum from the leak, the BWS shut down the Halawa shaft pumping station. The BWS took further precautionary action on December 8, 2021 and shut down its Halawa and Aiea wells to prevent possible contamination from reaching the BWS Honolulu water system. On March 7, 2022 the Secretary of Defense directed the Navy to permanently close the RHBFSF. In preparation for the permanent closure the Navy began draining the fuel from the RHBFSF on October 16, 2023.

Major Transactions with the City –

Billing and Collection Services – BWS has an agreement with the City’s Department of Environmental Services to provide certain services relating to the billing and collection of sewer service charges. Fees related to these services as well as capital recovery charges related to the implementation of the new billing and collection system were negotiated at approximately \$3.8 million for the fiscal year ended June 30, 2023. The expenditures related to these fees are included in contractual services expenses of the Sewer Fund in the accompanying statement of revenues, expenses and changes in net position for the Proprietary Funds.

Central Administrative Services Expense (CASE) Fee – BWS has an ongoing agreement with the City to pay a CASE fee for treasury, personnel, purchasing and other administrative services. The Board’s Charter allows for a CASE fee to the extent that it represents a reasonable charge for services necessary for the BWS to perform its duties. For the fiscal year ended June 30, 2023, CASE fees paid to the City amounted to \$3.3 million. Any increase for a subsequent year is subject to negotiation.

Joint Construction Projects – During the year ended June 30, 2013, the City entered into an agreement with BWS for a joint water and sewer system upgrade that is administered by BWS. The agreement required the City to make an annual advance payments to BWS. At June 30, 2023, a balance of approximately \$1.0 million of these funds has not been expended.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Oahu Transit Services, Inc. Oahu Transit Services, Inc. (OTS) was formed on December 16, 1991 as a nonprofit corporation. The purpose of OTS is to manage, operate, and maintain the City bus service and other transit related services on behalf of and for the City. Pursuant to the terms of the Management and Operations Agreement (the Agreement) and the Revised Ordinances of Honolulu, OTS and its employees are independent contractors and OTS is the private employer of all personnel required to operate the City bus system and special transit service. OTS is deemed an instrumentality of the City for appropriate purposes other than for labor and employment.

Major Transaction with the City –

Reimbursement of Labor Costs – In accordance with the Agreement, the City reimburses OTS for bus system and special transit service labor costs and related employee benefits paid during the fiscal year. For the fiscal year ended June 30, 2023, the City's reimbursement to OTS for personnel costs totaled \$212.8 million.

Contingent Liability – In accordance with the Agreement and governing ordinances, management believes the City is liable only for reimbursable employee benefit costs approved by the City's annual budgeting process. Accordingly, the City's financial statements include only the costs related to currently reimbursable employee benefits. Consequently, any long-term liabilities related to OTS' employee benefits have not been recorded in the primary government financial statements. If the Agreement with OTS is cancelled, the City may have a contingent liability related to OTS' long-term employee benefits. However, the City has no plans to do so; therefore, the City has not recorded a contingent liability.

17. Subsequent Events

On August 24, 2023, the City issued general obligation bonds, tax exempt series 2023A, B, C and D in the aggregate amount of \$271.0 million. The Series 2023B and Series 2023D Bonds are not subject to redemption prior to maturity.

Series 2023A Bonds maturing July 1, 2034 through July 1, 2048 and Series 2023C Bonds maturing July 1, 2038 are subject to redemption, at the option of the City on or after July 1, 2033, in whole or in part at any time.

Series 2023A and C bond proceeds will be used to fund City capital improvement projects, Series 2023B to fund certain purchases of equipment, and Series 2023D proceeds will be used as refunding of Series 2019E.

CITY AND COUNTY OF HONOLULU
NOTES TO FINANCIAL STATEMENTS
Fiscal Year Ended June 30, 2023

Bonds Series	Range of interest rates	Mature Annually July 1,	Par Amount (in thousands)
2023A	5.00%	2024 - 2048	\$ 77,330
2023B	5.00%	2024 - 2031	23,125
2023C	3.00% - 5.00%	2024 - 2048	28,605
2023D	5.00%	2024 - 2031	141,965
Total Par Amount			<u>\$ 271,025</u>

On September 27, 2023, the City issued wastewater system revenue bonds, Senior Series 2023 (Green Bonds) in the amount of \$189.8 million. The bonds mature annually on July 1, 2028 through July 1, 2053. The bond proceeds will be used to fund certain additions and improvements to the wastewater system. Portions of the bonds maturing July 1, 2034 through July 1, 2053 are subject to redemption at the option of the City on or after July 1, 2033.

On December 21, 2023 the City drew \$52.0 million from general obligation commercial paper notes Sub-Issue A-2. The proceeds will be used to fund the purchase of property for transit oriented development. Currently, the City has four letters of credit opened, Sub Issue A-1 and Sub-Issue A-2, Sub-Issue B-1 and Sub-Issue B-2 with an aggregate maximum amount of \$450 million. Sub Issues A-1 and A-2 expire on June 1, 2026 and Sub Issues B-1 and B-2 expire on December 22, 2025.

CITY AND COUNTY OF HONOLULU
NOTES TO BUDGETARY COMPARISON SCHEDULES
 FOR THE FISCAL YEAR ENDED JUNE 30, 2023

Budgets and Budgetary Accounting

Except for the inclusion of carry-over encumbrances, the budgets for the General Fund, the Highway Fund and the Federal Grants Fund are adopted on a modified accrual basis consistent with generally accepted accounting principles (GAAP).

The actual expenditures on a budgetary basis include payments made during the fiscal year on the modified accrual basis of accounting, consistent with GAAP, plus outstanding encumbrances at the end of the current fiscal year.

The budgetary comparison for the General Fund is the legally separate fund with its legally adopted budget not the combined General Fund (per GASB 54) presented in the basic financial statements (amounts in thousands).

Reconciliation	General Fund	Highway Fund	Federal Grants Fund
Net change in Fund Balance per Budgetary Comparison Schedule	\$ 27,187	\$ 22,752	\$ (158,500)
Adjustments to conform with generally accepted accounting principles:			
Encumbrances	93,025	21,063	155,525
Changes in Fund Balance for legal separate funds combined with the General Fund per GASB 54	8,795	--	--
Net change in Fund Balance per Statement of Revenues, Expenditures and Changes in Fund Balances - Governmental Funds	\$ 129,007	\$ 43,815	\$ (2,975)

CITY AND COUNTY OF HONOLULU
NOTES TO THE SCHEDULES OF PROPORTIONATE SHARE OF
THE NET PENSION LIABILITY AND CONTRIBUTIONS
FOR THE FISCAL YEAR ENDED JUNE 30, 2023

Prior to the measurement period ended June 30, 2022, there were no other factors, including the use of different assumptions, that significantly affect trends reported in these schedules.

Amounts reported in the schedule of proportionate share of the net pension liability had significant changes in assumptions for the measurement period ended June 30, 2022. The following changes in actuarial assumptions are:

- The assumed salary increased schedules increased for General Employees, Police and Fire employees. These schedules include an ultimate component for general wage inflation that may add on additional increases for individual merit and then an additional component for step rates based on service years.
- Retiree mortality is updated to the 2022 Public Retirees of Hawaii mortality tables. The improvement scale used to project future improvement is updated to the ultimate values of the most recently published Scale MP2021.
- In general, the rates of turnover were lowered to reflect recent experience.
- Pre-retirement mortality rates increased for Police and Firefighter employees.

Contribution rates are a percentage of pensionable payroll and are set by statute based on the recommendation of the ERS actuary. Act 256, Session Laws of Hawaii (SLH) 2007 established contribution rates beginning July 1, 2008 through June 30, 2012. Act 163 (SLH 2011) established new contribution rates beginning July 1, 2012 through June 30, 2017. Act 17 (SLH 2017) established new contribution rates beginning July 1, 2017 until statutory changes are implemented. Contribution rates by year are as follows:

<u>Effective Starting</u> July 1, 2020 and thereafter	<u>Police and Fire</u>	<u>General Employees</u>
July 1, 2020 and thereafter	41.0%	24.0%
July 1, 2019	36.0%	22.0%
July 1, 2018	31.0%	19.0%
July 1, 2017	28.0%	18.0%
July 1, 2015	25.0%	17.0%
July 1, 2014	24.0%	16.5%
July 1, 2013	23.0%	16.0%
July 1, 2012	22.0%	15.5%
July 1, 2011	19.7%	15.0%

Act 152 (SLH 2012) amended the definition of compensation for new employees hired after June 30, 2012 for the purpose of pension benefit calculations. Compensation is defined as normal periodic payments and does not include overtime, supplemental payments, bonuses, lump sum salary differentials and other types of differentials. For employees hired prior to July 1, 2012 compensation includes overtime, supplemental payments, bonuses and other types of differentials for the purpose of pension benefit calculations.

Act 153 (SLH 2012) requires employers to pay additional contributions for those employees who retire on or after July 1, 2012 with significant “non-base pay” increases in the three or five years used to calculate their average final compensation and maximum retirement allowances. The amount is determined by comparing the maximum retirement allowance that would have been received without the significant non-base pay increase to the actual maximum allowance. These amounts are assessed, on a fiscal year basis, for all retirees meeting the criteria during the previous fiscal year.

Information prior to the fiscal year ended June 30, 2017 is not available. As information becomes available in future years, up to 10 years will be displayed prospectively. The above OPEB information is related to the Primary Government only.

Notes to Schedule of Changes in Net OPEB Liability and Related Ratios:

2022: The demographic assumptions were updated to reflect the 2022 ERS Actuarial Experience Study. Additionally, short-term healthcare trend assumptions were updated. HART is included from this year forward.

2020: The trend rates were updated to reflect the repeal of the excise tax on high-cost employer health plan.

2019: The demographic assumptions were updated to reflect the 2019 ERS Actuarial Experience Study. Additionally, the participation assumptions were updated to better reflect the plan's anticipated experience.

2018: The short-term healthcare trend assumptions were updated.

(a) Revised from previous ACFR due to HART classification as blended component unit.

(b) Balance restated due to HART classification as blended component unit.

Fiscal Year Ended		Actuarially Determined Contribution	Actual Contribution	Contribution Deficiency (Excess)	Covered Employee Payroll	Actual Contribution as a % of Covered Payroll
June 30, 2023	(a)	\$ 188,883	\$ 188,883	\$ --	\$ 693,191	27.2%
June 30, 2022	(a)	\$ 198,487	\$ 198,487	\$ --	\$ 671,940	29.5%
June 30, 2021	(a)	\$ 190,924	\$ 190,924	\$ --	\$ 721,450	26.5%
June 30, 2020	(a)	\$ 184,467	\$ 184,467	\$ --	\$ 698,284	26.4%
June 30, 2019	(a)	\$ 178,141	\$ 178,141	\$ --	\$ 676,389	26.3%
June 30, 2018	(a)	\$ 167,470	\$ 144,051	\$ 23,419	\$ 657,253	21.9%

Notes:

Information prior to the fiscal year ended June 30, 2018 is not available. As information becomes available in future years, up to 10 years will be displayed prospectively.

(a) Revised from previous ACFR due to HART classification as blended component unit.

CITY AND COUNTY OF HONOLULU
POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)
NOTES TO SCHEDULE OF CONTRIBUTIONS
 FISCAL YEAR ENDED JUNE 30, 2023

Valuation Date:	The actuarially determined contribution for the fiscal year ended June 30, 2023 was developed in the July 1, 2020 valuation.
Methods and Assumptions:	
Actuarial Cost Method	Entry Age Normal
Discount Rate	7.0%
Inflation	2.5%
Amortization Method	Level percent. Closed bases are established at each valuation for new unfunded liabilities.
Equivalent Single Amortization Period	16.0 as of the fiscal year ended June 30, 2023
Payroll Growth	3.5%
Asset Method	4-year smoothed market
Salary Increases	3.5% to 7.0% including inflation
Demographic Assumptions	Based on the experience study covering the five year period ended June 30, 2018 as conducted for the Hawaii Employees' Retirement System (ERS)
Mortality	System-specific mortality tables utilizing scale BB to project generational mortality improvement
Participation Rates	98.0% healthcare participation assumption for retirees who receive 100.0% of the Base Monthly Contribution (BMC). Healthcare participation rates of 25.0%, 65.0%, and 90.0% for retirees who receive 0.0%, 50.0%, or 75.0% of the BMC, respectively. 100.0% for Life Insurance and 98.0% for Medicare Part B
Healthcare cost trend rates:	
PPO*	Initial rate of 7.5%, declining to a rate of 4.7% after 13 years
HMO*	Initial rate of 7.5%, declining to a rate of 4.7% after 13 years
Part B	Initial rate of 5.0%, declining to a rate of 4.7% after 10 years
Dental	5.0% for the first two years; followed by 4.0% for all future years
Vision	0.0% for the first two years; then 2.5% for all future years
Life Insurance	0.0%

* Blended rates for medical and prescription drug

Notes: For fiscal year 2015 have not been restated for GASB Statement nos. 68 and 71 and other restatements recorded.

Amounts prior to fiscal year 2017 have not been restated for GASB Statement No. 82.

Amounts prior to fiscal year 2018 have not been restated for GASB Statement No. 75.

Amounts prior to fiscal year 2019 have not been restated for GASB Statement No. 83.

For fiscal year 2021, the restatements disclosed in the Notes to the Financial Statement 1 are not reflected in the above table for 2020 and the amounts prior to fiscal year 2020 have not been restated for GASB Statement No. 84.

Amounts prior to fiscal year 2023 does not include the Honolulu Authority for Rapid Transportation due to the change in reporting of the component unit from discrete to blended.

NOTES:

Taxpayer's name as recorded in real property records.

Assessed valuations were certified as of January 30 each year at 100% of market value.

The total gross assessed valuation for Fiscal Year 2023 was \$343,065,354,000.

(a) The Real Property Assessment Division recently discovered that General Growth Properties (GGP) and Howard Hughes Corporation are separate companies. Therefore, the assessment was updated for 2018.

FISCAL YEARS 2014 - 2023
(Amounts in thousands)
(Unaudited)

(Page 1 of 2)

	Fiscal Year			
	<u>2023</u>	<u>2022</u>	<u>2021</u>	<u>2020</u>
Debt limit (a)	\$ 39,819,378	\$ 36,018,294	\$ 36,394,705	\$ 36,338,463
Debt applicable to limit	<u>3,543,684</u>	<u>3,633,647</u>	<u>3,245,911</u>	<u>3,209,695</u>
Legal debt margin (b)	<u>\$ 36,275,694</u>	<u>\$ 32,384,647</u>	<u>\$ 33,148,794</u>	<u>\$ 33,128,768</u>
Debt applicable to the limit as a percentage of debt limit	8.90%	10.09%	8.92%	8.83%

NOTES:

- (a) State finance statutes limit the City's outstanding general debt to no more than 15 percent of the net assessed value of property.
- (b) The legal debt margin is the City's available borrowing authority under state finance statutes and is calculated by subtracting the net debt applicable to the legal debt limit from the legal debt limit.

Paratransit passengers	866,481	748,826	620,027 (b)	822,173

NOTES:

- (a) The data is reported on a calendar year basis.
- (b) The decrease is due to the COVID-19 pandemic restrictions.
- (c) The count is based on number of violations.
- (d) Ground ambulance responses dropped from March to June due to the Stay-at-Home Order, closure of bars, decrease in traffic volume, which were related to the COVID-19 pandemic.
- (e) The decrease is due to park closures including park camp grounds and less visitor arrivals.
- (f) The value presented represents the average of daily effluent flows from nine (9) of our treatment plants for the fiscal year 2020.
- (g) The decrease was due to the decrease in the completion of new sub divisions.
- (h) First Aid assisting the Department of Design and Construction while waiting for projects delayed due to utility projects to complete.
- (i) The increase is due to the many first aid pavement repairs that are requested from the Department of Design & Construction, the Department of Transportation Services, and other departments.
- (j) Potholes repaired significantly reduced due to the increase in the Department of Design & Construction's resurfacing contract projects.
- (k) The increase is due to the new development at Hoopili.

970,633	952,971	920,453	890,453	843,402	882,084

NOTES (continued):

- (l) The factors causing the increase in the lane miles are utilizing construction management services which allowed managing more paving contracts without increasing city staff, better weather conditions, and the timing of executing contracts.
- (m) First aid increased to assist DDC while waiting for projects delayed due to utility projects to complete.
- (n) The increase in the number of fire inspections is due to the changeover from Fire Inspections Database (FID) to the Honolulu Online System for Emergency Services (HOSES) for reporting all commercial and street (residential) inspections.
- (o) The significant variance in the number of inspections are due to a computer system change, the increase in training and administrative assignments, and the change in inspection frequency (HFS132-6).
- (p) The decrease resulted from the increased contract resurfacing work being performed by the Department of Design and Construction for which there were less roadways that required in-house resurfacing work. Crews were diverted to perform other tasks such as Stored Property Enforcement, and storm drain cleaning work in order to ensure compliance with the NPDES permit requirements.
- (q) Over the past seven years, the pace of resurfacing has been prioritized where most of the inventory that was in poor condition had been completed. This dropped the quantity of streets needing resurfacing with only the complicated ones left.
- (r) The decrease in lane miles paved from previous years is partly a result of other higher priority emergency projects needing to be administered, not necessarily resulting in lane miles paved.

SOURCE: City and County of Honolulu, various agencies.

NOTES:

- (a) The number varies according to actual staffing of motorized patrol position.
- (b) Includes one fireboat and one aircraft station.
- (c) Includes State traffic signals on Oahu that the City maintains.
- (d) The number of park and recreation area adjusted to include previously uncounted recreation designated areas.
- (e) The number of Beach Right of Ways increased to conform to Ocean Safety Database.
- (f) Traffic related landscaped areas now under the jurisdiction of the Department of Facilities Maintenance.
- (g) Tennis courts reduced due to the update of tennis court rules and the number of courts surveyed.
- (h) The number of beach access/right of ways were adjusted to include pedestrian malls.
- (i) The number of baseball /softball fields were adjusted to include previously uncounted baseball/softball fields.
- (j) The number of Recreational Buildings were adjusted to remove accessory buildings not used for recreation.
- (k) The number of tennis courts were reduced due to conversion to pickle ball courts.
- (l) The number of soccer fields were increased to include play fields.
